Can A Girl Run For President:

What Will It Take to Make A Woman President? Marianne Schnall, 2013-11-05 I would love for my younger fans to read *What Will It Take to Make a Woman President* by Marianne Schnall. It's a collection of interviews and essays by great women including Maya Angelou, Gloria Steinem, and Melissa Etheridge. They will inspire you to become a better leader. Beyoncé prompted by a question from her eight-year-old daughter during the 2008 election of Barack Obama: Why haven't we ever had a woman president? Marianne Schnall set out on a journey to find the answer. A widely published writer, author, and interviewer and the Executive Director of Feminist.com, Schnall began looking at the issues from various angles and perspectives, gathering viewpoints from influential people from all sectors. *What Will It Take to Make A Woman President* features interviews with politicians, public officials, thought leaders, writers, artists, and activists in an attempt to discover the obstacles that have held women back and what needs to change in order to elect a woman into the White House. With insights and personal anecdotes from Sheryl Sandberg, Maya Angelou, Gloria Steinem, Nancy Pelosi, Nicholas Kristof, and Melissa Etheridge, and many more, this book addresses timely provocative issues involving women, politics, and power. With a broader goal of encouraging women and girls to be leaders in their lives, their communities, and the larger world, Schnall and her interviewees explore the changing paradigms occurring in politics and in our culture with the hope of moving toward meaningful and effective solutions and a world where a woman can be president.

[Women for President](#) Erika Falk, 2008 A timely analysis of gender bias in press coverage of presidential campaigns.

Almost Madam President Nichola D. Gutgold, 2009-08-16 All around the world, women are presidents and prime ministers; yet in America, we have yet to elect the first woman president. When Barack Obama accepted the nomination as the Democratic candidate for president in 2008, the media were quick to point out that Hillary Clinton lost. Yet Clinton won almost 18 million votes and was the first front-runner woman candidate. *Almost Madam President: Why Hillary Clinton Won in 2008* argues that Hillary Clinton gained more than she lost in her bid for the presidency. This book takes the reader on a rhetorical journey through Hillary Clinton's 2008 presidential campaign, focusing on Clinton's sophisticated YouTube-style announcement speech, the debates, and the many notable stump speeches and media events on the campaign trail. Along the way, Gutgold examines the obstacles and opportunities of women as presidential candidates.

[Annual Reports of the President, the Deans, and Other Officers of Miami University](#) Miami University (Oxford, Ohio), 1928

[Blue Man](#) John L. Moore, 2021-05-17 Ezra Riley is a hardened Montana cowboy who prefers the hills, cattle, and horses to cities, but his unique gift for dream interpretation has him secretly taken to the White House where the President is suffering from recurring nightmares. Riley's encounter with the President launches a series of attacks by the man behind the nightmares, William Anderson Hall, an elderly master spy and a pioneer in the CIA's experiments with psychic powers and hallucinogens. In his remote Virginia compound, Hall has invested 30 years and millions of dollars in creating Blue Man, the ultimate psychic warrior. Riley's life is soon complicated by Davis Browne, a former agent

with the Department of Homeland Security and Hall's two nieces Isabel Elizabeth Hall and Mary Margaret Hall Riley's rough ride is balanced by his cowboy friend the cartoonist Barney Wallace whose loyalty follows Riley to the climactic end and the revelation of the content of the President's dream The Ladies' Home Journal ,1920 *Bulletin of the National Federation of Business and Professional Women's Clubs* ,1929 Investigation of the Assassination of President John F. Kennedy United States. Warren Commission,1964 Warren Commission hearings *The Young Woman's Journal* ,1913 **Collier's** ,1913

American Government Karen O'Connor,Larry Sabato,2002 This new edition of the number one book in American government continues to provide the most current and engaging introduction available for the course Written with the belief that knowledge of the development of American government is integral to fully understand our current political system American Government Continuity and Change offers a strong historical perspective that highlights the evolution of government and engages students with examples relevant to their lives *Cleveland Women's Journal* ,1917 *Woman's Home Companion* ,1924 *World Stories Retold for Modern Boys and Girls* William James Sly,1914 **President's Report** University of Michigan,1927 *Time* Briton Hadden, Henry Robinson Luce,1926 Reels for 1973 include Time index 1973
