Can Prayer be Answered? Mary Austin, 1934 Austin was an early nature writer of the American Southwest as well as an early feminist and defender of Native American and Spanish American rights She also co authored a book with photographer Ansel Adams Mount Mary Austin in the Sierra Nevada was named in her honor Vendor statement **You Can Get Answers To Your Prayers** Eric M Hill, I want a stronger and more powerful prayer life What can I do If this is your desire you re only a short while away from making it a reality Millions of Christians read wonderful Bible promises and wonder why nothing happens when they pray They know God loves them but for some reason their prayers never seem to make it past the ceiling This condition is widespread and accepted as normal Yet from a biblical perspective it is abnormal for a Christian to routinely not get his or her prayers answered This is not what we see in the Bible it is not what we should see in our own lives It is not going to remain this way in your life John had applied to a bunch of dental schools and was turned down In front of the whole church I explained to him some of the principles and methods in this book Pray like this and go back to those same schools and apply again and see what God does He now attends one of the dental schools that had previously turned him down God made the impossible possible This short simple but insightful book is going to reveal to you truths and methods that will allow you to join the ranks of those who have learned how to get spectacular answers to prayer It will be especially helpful to those who are facing stubborn or so called impossible situations The author Eric M Hill has been a Bible teacher for over 35 years During this time he has pastored churches conducted overseas evangelistic meetings seen many people healed and delivered written several popular spiritual warfare novels and has personally experienced spectacular answers to prayer

Gerald A Dean, 2013-09-11 I wrote this book for the purpose of vears teaching people how to understand and develop personal relationships with God I feel that understanding who your heavenly father is and how he operates through relationship is the foundation for not only praying but in getting prayers answered At the age of eighteen I began to desire an intimate relationship with God after witnessing my best friend pray to God and instantly get a response I saw firsthand how alive the God we serve was and how this type of intimate relationship could be achieved with the right direction I believe the problem is not that God does not speak to his people but that his people do not know how to hear his voice This book will teach The proper perception we must have of God to form an intimate relationship How to pray prayers that can actually be answered Hinderances that prevent prayers from being answered Certain requirements that must be present for a prayer to be answered How to hear God's voice And much more As a bonus blessing I have also included for my readers The Seven Steps to Victory in a Crisis Situation **How Can God Answer Prayer?** William Edward Biederwolf.1906 **Prayer That Works** Francis Jonah, 2019-04-30 I had prayed concerning this one

situation and received no answers for over a year When I was taught these revelations I was immediately confident I will receive the answer Surely the answer came after just 4 days of taking responsibility in prayer Andrew Why do so many people experience unanswered prayers and the frustrations that come with it Why do many pray all the right prayers and do everything they know to do not see answers to their prayers Why have many given up on God because despite all the hype about prayer This book will explain how you can make your answers to prayer manifest and gives you keys to take greater responsibility in seeing answered prayers After reading this book you will not sit down and be passive if an answer to prayer hasn t come You will receive keys to cause the answers to come As a bonus you will see several testimonies and what was done to make several unanswered prayers become answered prayers Again and Again God Answers Prayer Miltonetta Atwater, 2018-04-27 There are those who go through life never realizing the power of prayer We were not purposed to tackle lifes situations and problems on our own We have an advocate the Holy Spirit who empowers us in prayer But you will receive power when the Holy Ghost comes upon you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 NIV We can change situations and turn the very obstacles of adversity in another direction Throughout this book you will read of instances where God has repeatedly answered prayer At one time He took a heart that was devoted to him to meet a need because of prayer Through prayer God signified his unmerited love And still yet God answers prayer in a most astounding way using one vessel to speak to another vessel who heard his word and acted on it We serve an almighty God who loves us unconditionally His word never fails Prayer is the key that unlocks every door to answered prayers Just knowing that God will show up and answer prayer is comforting but it can be the most exciting when we encounter him in a most unassuming way Again and again God answers prayer The Only Answer Is Prayer William McDowell, Jason McMullen, Caleb Grant, 2021-01-05 Prayer is more than important it s vital We have to do more than just want God to move in our lives our families our nation and the world We must actively seek him in prayer When we call out to God he hears us is with us and helps us Prayer is never an interruption but always an invitation God invites us to go deeper in the place of prayer Using practical teaching and moving testimonies these Deeper Fellowship Church pastors will help you hunger to partner with God and discover greater intimacy with Christ boost your strength to pray till you see results position yourself to be part of the greatest outpouring of the Spirit the world has ever seen agree with heaven to see the plans and purposes of God become reality on the earth God doesn t want you to drown in unanswered prayer but to walk in authority and to experience his best You can connect with God right now and experience the life changing power of his presence with When God Does Not Answer an Honest Prayer Daniel Jappah, 2020-07-30 For Christians who don t you through prayer care much about a church life a prayer life or even reading the Bible when they encounter life s crises turn to prayer and find no answers they can always find a ton of reasons to explain away why their prayers were not answered Maybe I waited for a crisis in order to pray Maybe God wants me to always depend on Him Maybe I did not pray long enough Maybe I started to

pray too late Maybe I prayed and then still worried about it Maybe I prayed but really didn t believe my prayer would be answered Maybe Maybe Maybe The casual Christian can easily justify why a prayer may not be answered For Christians who have a very strong prayer when such individuals face those life and death situations and pray to God from the depths of their hearts and their prayers go unanswered unanswered prayers can lead to crises of faith forcing these believers to ask questions they may have taken for granted questions such as 1 Is there really God 2 Does God really answer prayers or do I just pray to make myself feel good 3 Why did God not answer my honest prayer 4 Why should I continue to pray when I ve cried out to God from the depths of my heart and God did not answer my prayer These can be very difficult questions about God especially when they arise out of a situation in which your faith seems to have apparently not been affirmed God did not turn out to be what you expected God to be The spiritual doubt that follows is the most difficult kind of doubt to overcome Frankly there is not a greater challenge to faith than when contrary to James 5 16 the fervent prayer seems to be of no avail How does a Christian deal with God faith and prayer when in the midst of a life crushing situation an honest prayer goes unanswered When prayer fails why still believe in God Why continue to pray If you want honest answers this book is for you

Atheism Made Easy Dustin Hartley, Atheism Made Easy is a guide to losing your faith This contribution to the philosophy of religion is a scathing attack on irrational belief in a god or gods **Answered Prayer Journal** Frances P. Robinson, 2015-06-19 Prayer is an amazing privilege we have as a child of God As Christians we can pray to God about our needs and expect answers When God answers our prayers it increases our faith and trust in Him Sometimes we tend to forget our answered prayers from the past This book was created to help you keep record of those answered prayers If you ever feel your faith faltering or need encouragement open this book and read answered prayers from the past and feel your faith begin to rise This book includes blank space on each page to record the following Date of prayer need Who the prayer is for Details of Prayer and desired outcome Date and Progress Report for periodic updates Date Prayer Answered How long was it before prayer answered Details of How Prayer Answered Other Comments to write more details before during or after answered prayer Check box at top to check when prayer is answered Answered Prayer Log section in the back of the book to record all answered prayers in one place **Prayer** Watchman Nee,1997-11 God's Answer to a Nation's Prayer.
