Can You Hear Me Scream:

Can You Hear Me Scream? , Roses and Blood Rodney S. Owens,2008-12-01 The heads have stopped spinning from the variety of pieces in Lost and Found and the smoke has cleared from the hard hitting assault of Locked and Loaded Now comes the unveiling of a two part pulse quickening collection of fragments from human emotion Roses and Blood slithers through out the cracks of emotions and feelings we have all felt at one time or another Whether it s the warm spark of a new found love or the dying flame of a relationship torn apart Some have even felt the sweat inducing heat of erotic lust The roller coaster ride we go through in almost any situation when we deal with matters of the heart Though no matter how warm and secure we may feel we can never escape from the icy grip of fear and horror It can freeze the warmest thought and release the restraints of a dark imagination Where anything can be a creature and every sound becomes a haunting echo Thoughts and images drawn from daily newspaper articles and stories that are broadcasted on the nightly news Creepy visions created and inspired by classic horror stories and films Personal fears we keep hidden inside ourselves that only surface when we are alone or in the dark The chill that rips down your spine and makes you check the closet twice before going to bed Roses and Blood will lure you in and make you feel loved and secure then like the flip of a switch have you feeling scared and vulnerable So curl up in your favorite chair and enjoy just be sure you lock the door first **365 Revelatory Words for Any Given**

Day Dr. Jennifer Gilbert,2017-08-03 In her unique work 365 Revelatory Words for Any Given Day Dr Jennifer Gilbert offers insights gleaned from life lessons she has learned over the years Challenging events in the authors life led her to spend three years creating this special volume to encourage her readers to seek reflection application and revelation in their daily spiritual walk Dr Gilbert believes there is power in perseverance through painful persecution She coined this phrase during the painful pursuit of deliverance from years of abusive relationships and other challenges that were overcome by the grace of God and radical perseverance against all odds The author knows we all have those days where we just need a pick me up days when it seems like just a simple word could offer a getaway a reprieve from the day to day struggles we call life That is what this book is meant to be an easy revelatory way of connecting with God and hearing what he has to say rather than being preached at with the usual scripture three points and a poem Following on her previous books Churchin Aint Easy And Deliver Us from People and For the Perfecting of the Saints The Five Biblical Ministry Gifts and What They Mean to You this work is certain to touch the hearts minds and souls of her readers Hell House Kory M.
