Can You See What I See:

Can You See What I See Justemple,2010-04 This is what I see exaggerated That is why this is fiction With me a new twist of the conscious We think but never speak about the sensitive side Place in metaphors and statements presenting reality and a bonus of fiction Welcome to my sighting vision and exaggeration of what could be true Become my eyes as you focus on the words Now can you see what I see Twisting scenes transferring thoughts to an emotion touching the unseen holding hands with fear realizing it s truth to an open opinion This is why I felt compelled to tell the story A plan from deep within set a sail for my new adventures of what I see and what I think I see and to learn the difference Taught speak no evil see no evil hear no evil so I wrote it instead These rules were never clarified outside the main ingredients So telling the story this way makes it easier for my conscience releasing a poison that was slowly trying to kill a humble soul Sins and unwanted memories can be at peace through the conclusion of a fictional story Or is it My gift of a fictional horror with an inspirational meaning Read my exaggeration and form your opinion of a book called Can You See What I See I m not a big fan of gambling but I bet a pocket full of coins that this book is different heads or tails P S Remember three is a charm Two more will follow
