Chatters, Jeffrey S. Levin, 2004 Religion in the Lives of African Americans Social Psychological and Health Perspectives examines many broad issues including the structure and sociodemographic patterns of religious involvement the relationship between religion and physical and mental health and well being the impact of church support and the use of ministers for personal issues and the role of religion within specific subgroups of the African American population such as women and the elderly Authors Robert Joseph Taylor Linda M Chatters and Jeff Levin reflect upon current empirical research and derive conclusions from several wide ranging national surveys as well as a focus group study of religion and coping Recommended for students taking courses in racial and ethnic studies multicultural and minority studies black studies religious studies psychology sociology human development and family studies gerontology social work public health and nursing *The Motif of Hope in African American Preaching during Slavery and the Post-Civil War Era* Wayne E. Croft Sr., 2017-10-16 The Motif of Hope in African American Preaching during Slavery and the Post Civil War Era There s a Bright Side Somewhere explores the use of the motif of hope within African American preaching during slavery 1803 1865 and the post Civil War era 1865 1896 It discusses the presentation of the motif of hope in African American preaching from an historical perspective and how this motif changed while in some instances remained the same with the changing of its historical context Furthermore this discussion illuminates a reality that hope has been a theme of importance throughout the history of African American preaching The Greenwood Encyclopedia of African American Folklore Anand Prahlad, 2006 Crucible of the Civil War Edward L. Ayers, Gary W. Gallagher, Andrew J. Torget, 2008-12-30 Crucible of the Civil War offers an illuminating portrait of the state s wartime economic political and social institutions Weighing in on contentious issues within established scholarship while also breaking ground in areas long neglected by scholars the contributors examine such concerns as the war s effect on slavery in the state the wartime intersection of race and religion and the development of Confederate social networks They also shed light on topics long disputed by historians such as Virginia s decision to secede from the Union the development of Confederate nationalism and how Virginians chose to remember the war after its close The Greenwood Encyclopedia of African American Folklore: Q-Z Anand Prahlad, 2006 Contains over seven hundred entries on African American folklore including music art foodways spiritual beliefs and proverbs Voices of Black Folk Terri Brinegar, 2022-04-19 Recipient of a

2023 Certificate of Merit for Best Historical Research in Recorded Blues R B Gospel Hip Hop or Soul Music from the Association for Recorded Sound Collections In the late 1920s Reverend A W Nix 1880 1949 an African American Baptist minister born in Texas made fifty four commercial recordings of his sermons on phonographs in Chicago On these recordings Nix presented vocal traditions and styles long associated with the southern rural Black church as he preached about self help racial uplift thrift and Christian values As southerners like Nix fled into cities in the North to escape the rampant racism in the South they contested whether or not African American vocal styles of singing and preaching that had emerged during the slavery era were appropriate for uplifting the race Specific vocal characteristics like those on Nix s recordings were linked to the image of the Old Negro by many African American leaders who favored adopting Europeanized vocal characteristics and musical repertoires into African American churches in order to uplift the modern New Negro citizen Through interviews with family members musical analyses of the sounds on Nix s recordings and examination of historical documents and relevant scholarship Terri Brinegar argues that the development of the phonograph in the 1920s afforded preachers like Nix the opportunity to present traditional Black vocal styles of the southern Black church as modern Black voices These vocal styles also influenced musical styles The moaning voice used by Nix and other ministers was a direct connection to the blues moan employed by many blues singers including Blind Willie Blind Lemon and Ma Rainey Both Reverend A W Nix and his brother W M Nix were an influence on the Father of Gospel Music Thomas A Dorsey The success of Nix s recorded sermons demonstrates the enduring values African Americans placed on traditional vocal practices

The Georgia of the North Hettie V. Williams, 2024-07-12 The Georgia of the North is a historical narrative about Black women and the long civil rights movement in New Jersey from the Great Migration to 1954 Specifically the critical role played by Black women in forging interracial cross class and cross gender alliances at the local and national level and their role in securing the passage of progressive civil rights legislation in the Garden State is at the core of this book This narrative is largely defined by a central question How and why did New Jersey s Black leaders community members and women in particular affect major civil rights legislation legal equality and integration a decade before the Brown v Board of Education Topeka Kansas decision In this analysis the history of the early Black freedom struggle in New Jersey is predicated on the argument that the Civil Rights Movement began in New Jersey and that Black women were central actors in this struggle
