The Great War As I Saw It Frederick George

Scott, 2016-02-15. May the ears of Canada never grow deaf to the plea of widows and orphans and our crippled men for care and support. May the eyes of Canada never be blind to that glorious light which shines upon our young national life from the deeds of those who counted not their lives dear unto themselves and may the lips of Canada never be dumb to tell to future generations the tales of heroism which will kindle the imagination and fire the patriotism of children that are yet unborn.

Reluctant Warriors Patrick M. Dennis, 2017-09-22. During the Hundred Days campaign of the First World War over 30 percent of conscripts who served in the Canadian Corps became casualties. Yet they were generally considered slackers for not having volunteered to fight. *Reluctant Warriors* is the first examination of the pivotal role played by Canadian conscripts in the final campaign of the Great War on the Western Front. Challenging long-standing myths about conscripts, Patrick Dennis examines whether these men arrived at the right moment and in sufficient numbers to make any significant difference to the success of the Canadian Corps. He examines the conscripts themselves, their journey to war, the battles in which they fought, and their largely undocumented sacrifice and heroism. *Reluctant Warriors* sheds new light on the success of the Military Service Act and provides fresh evidence that conscripts were good soldiers who fought valiantly and made a crucial contribution to the war effort.

Thirty Canadian V.C.s., 23d April 1915 to 30th March 1918 Theodore Goodridge

Roberts, Robin Richards, Canadian War Records Office, Military Historian Stuart Martin, 2023-09-18. The anthology *Thirty Canadian V.C.s, 23d April 1915 to 30th March 1918* stitches together an illuminating tapestry of bravery, sacrifice, and heroism through the harrowing times of World War I as seen and experienced by Canadian soldiers. With a diverse array of literary styles from firsthand accounts to meticulously researched historical analyses, this collection magnifies the personal valor and collective might shown by Canadians during a significant period in military history. By providing a varied literary context ranging from soldiers' diaries to academic essays, it invites readers to explore the multifaceted nature of war and valor, making it a seminal compilation in the study of Canadian military history and the Victoria Cross recipients. The authors, including seasoned military historian Stuart Martin alongside contributions from the Canadian War Records Office and notable writers such as Theodore Goodridge Roberts and Robin Richards, bring to life the era's geopolitical tensions, societal values, and the individual's role within these grand narratives. Together, they form a chorus of perspectives highlighting the

cultural and historical significance of the Canadian forces contributions rightfully positioning them within the broader discussions of World War I's legacy This anthology therefore is not merely a collection of war stories but a critical examination of the Canadian identity in times of conflict Reading Thirty Canadian VCs 23d April 1915 to 30th March 1918 will transport the audience into the trenches with the soldiers allow them to grasp the gravity of the sacrifices made and understand the immense pride these actions instilled back home It is an essential volume for anyone keen on exploring the vast landscapes of military valor Canadian heritage and the stark realities of war through a prism of varied literary forms This collection offers an unprecedented opportunity to engage with history learn from it and appreciate the breadth of perspectives it encapsulates It is highly recommended for scholars students and any reader eager to delve into the depths of Canadian military history and its heroic figures
