Canada: The State of the Federation 1990 Ronald Lampman Watts,Douglas M. Douglas Brown,1990 *Canada* Ronald Lampman Watts,Douglas Mitchell Brown,1989 *The Canadian General Election Of 1988 (A Carleton Contemporary)* Alan Frizzell,Jon H. Pammett,Anthony Westell,1989 The Canadian General Election Of 1988 **Driven Apart** Annis May Timpson,2001 From the outset of second wave feminism in Canada women have advanced analyses of employment inequality that embrace their labour in both the public and domestic spheres Through campaigns task forces and direct engagement with government departments activists have argued that only when the Canadian state takes account of their roles as care providers can women s full potential as worker citizens be realized Thinking Government David Johnson,2011-01-01 Thinking Government renews a discussion of power relations between elected politicians and unelected public servants while also incorporating the practical approach of studying public administration within the dynamics of federal politics **Reforming Public Management and Governance** John Halligan,2020-05-29 This book examines the impact of several decades of public sector reform in four Westminster systems Australia Canada New Zealand and the United Kingdom Political and managerial change has re defined roles and relationships and how their public sectors function Often this occurs in comparable ways because of a common administrative tradition but choices made in different country contexts also produce divergent outcomes In analysing the results and implications of reform fundamental issues of and tensions in public administration and management are addressed Writing Between the Lines Agnes Whitfield,2006 The essays in Writing between the Lines explore the lives of twelve of Canada s most eminent anglophone literary translators and delve into how these individuals have contributed to the valuable process of literary exchange between francophone and anglophone literatures in Canada Containing original detailed biographical and bibliographical material Writing between the Lines offers many new insights into the literary translation process and the diverse roles of the translator as social agent The first text on Canadian anglophone translators it makes a major contribution in the areas of literary translation comparative literature Canadian literature and cultural studies *Public Administration in Canada* Kenneth Kernaghan,David Siegel,1999 The leading text on Canadian Public Administration providing comprehensive coverage of the political policy and management dimensions of public administration *Canadian Tax Papers* ,1991 *Diplomatic Departures* Nelson

Paradigm Shift Stephen McBride, 2005 Canada has always been a global nation integrated with the international economy and having close relations with succeeding hegemonic powers Recently globalization was accompanied by an intellectual paradigm shift moderate state interventionism associated with Keynesian economic theories was replaced by an economic orthodoxy that confined the state to a minimal role and trumpeted the virtue of market solutions Paradigm Shift evaluates the globalization debate through a Canadian lens and places Canada in the forefront of the analysis Opposition to neo liberal globalization emerged on several fronts from political opposition within civil society and social movements skepticism about the claims of the globalizers from academic researchers and lack of enthusiasm by some nation states which found contrary to expectations that they retained some power The Bush administration's aggressive unilateral foreign policy stimulated talk of a new imperialism and sharpened the debate over the nature of the new era Canada faces difficult choices but so far the government shows intensified rather than lessened enthusiasm for removing obstacles to trade and investment On the other hand as the government moves toward greater integration with the United States many Canadians seek a more independent path
