## **Canada Votes How We Elect Our Government:**

*Canada Votes* Linda Granfield, Craig Terlson, 1994-01-01 An informative and up to date look at how Canadians elect their government    **The Classroom Election Gr. 4-7** ,    *The Canadian Federal Election of 2021* Jon H. Pammett, Christopher Dornan, 2022-09-15 Media pundits and students of Canadian politics alike have strived to interpret the relevance of the 2021 federal election held in the midst of a global pandemic and reinforcing the existing parliamentary balance of power This timely volume explains the election s import offering an insightful account of Canadian democracy in an age of increasing rancour and polarization and explaining why the Liberals did not win a majority government In a unique collaboration some of the country s most distinguished political scientists pollsters and journalists examine the parties issues machinery and media of Canadian electoral politics teasing out the complexities and nuances of what was seen to be a premature federal election *The Canadian Federal Election of 2021* analyzes the campaigns of the major parties and the patterns of voting behaviour A special feature of this book is its focus on issues of diversity and difference in the partisan theatre the voting patterns of gendered Indigenous and newly immigrant Canadians as well as the millennial generation These chapters offer important lessons for the present and for the election to come A must read for students journalists those working at affiliated think tanks and institutes and engaged citizens this thoughtful expos will interest international observers and anyone following the Canadian political landscape    [Get Out and Vote!](#) Elizabeth MacLeod, 2023-03-14 Explore the past present and future of voting around the world and why it s one of the most important things we can do as citizens In *Get Out and Vote* discover how voting affects everyone s life what election day looks like why some people don t cast a ballot and more Did you know a ping pong ball once decided an election or that the government in Ancient Greece voted by shouting From elections and politics to voter suppression and accessible ballots there is so much to explore when it comes to voting With profiles of young people who are making the vote count this book will empower young people of all backgrounds to make their voices heard The epub edition of this title is fully accessible    **The Municipal Review of Canada** , 1906    **Debates of the Senate of the Dominion of Canada** Canada. Parliament. Senate, 1906    **Does Your Vote Count?** Paul Kemp, 2003-02 As Canadians we grow up believing that we live in a democracy In school we are taught about the importance of exercising our right to vote and that the politicians we elect to the House of Commons are there to be our representatives to give voice to the concerns of their constituents and to give ordinary citizens a say in how the country is governed *Does Your Vote Count* demonstrates just how far Canadian government has strayed from this democratic ideal Using excerpts from interviews with current and former politicians civil servants and academics author Paul Kemp argues that in many important ways our vote does not count In reality only one person holds almost all of Ottawa s decision making power the prime minister Backbench MPs and even many Cabinet ministers have little or no influence over government policy Moreover party discipline is so strictly enforced that MPs rarely express opinions or viewpoints that differ from the party line either in House

debates or in parliamentary committees Perhaps most alarming the ability of Parliament to scrutinize government spending has been severely limited Does Your Vote Count challenges us to take a closer more critical look at how well our government and electoral system are serving us as Canadian citizens We may still have the right to choose who sits in the House of Commons but how meaningful is this right if the people we elect into office have been stripped of all power and influence

*Canada, A Country of Change* Graham Broad, Mathew Rankin, 2021-08-02 Canada A Country of Change 1867 to Present explores the characters and events that have shaped Canada Through Confederation two world wars Depression and post war prosperity Canada has risen to become the free country we know today In this book your students will discover the exciting story that defines our nation It includes Historical photographs and artwork Primary archival documents including letters and other first person accounts Sidebars that extend the main text Profiles of Canada s prime ministers Fun facts that connect history to children s own experiences Maps and charts designed for young readers and Much more *The Canadian Municipal Journal* ,1907 **The Parliamentary Debates, Official Report** Great Britain.
