Canadas Century Governance In A Maturing Society:

Harold Innis in the New Century William Buxton, Charles R. Acland, 1999 A collection of original essays that moves beyond the prevalent view of Harold Innis as a technological determinist Harold Innis in the New Century brings his innovative ideas to bear upon a variety of contemporary issues such as postmodernism liberalism gender and cultural policy The book is divided into three sections Reflections on Innis provides a historical reassessment of Innis Gaps and Silences considers the limitations of both Innis s thought and his interpreters and Innis and Cultural Theory offers speculations on his influence on cultural analysis The interpretations offered reflect the changing landscape of intellectual life as boundaries between traditional disciplines blur and new interdisciplinary fields emerge Harold Innis in the New Century is a valuable resource for scholars and students of Canadian studies communication studies cultural studies economic history and political science The Oxford Handbook of Canadian Politics John Courtney, John Childs Courtney, David Smith, 2010-04-29 The

Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy **Canadian Multimodal Transport Policy and Governance** G. Bruce Doern, John Coleman, Barry E. Prentice, 2019-05-09 Given its geographical expanse Canada has always faced long term

transport policy issues and challenges Canadian Multi Modal Transport Policy and Governance explains how and why Canadian transportation policy and related governance changed from the Pierre Trudeau era through the Chretien Martin Mulroney Harper and Justin Trudeau eras With particular attention paid to the diversity and ongoing evolution of transportation policy since the 1960s the broad distribution of regulatory authority across different levels of government and the politicization of regulatory regimes and investment decisions since the 1970s Doern Coleman and Prentice attempt to answer three critical questions How and to what extent have policy and governance changed over the decades Where has transport policy resided in federal policy agendas And is Canada developing the policies institutions and capacities it needs to have a socio economically viable and technologically advanced transportation system for the medium and long term A sweeping history of transportation policy in Canada that fills a gap in the existing literature Canadian Multi Modal Transport Policy and Governance concludes that transportation has been subordinate to other federal goals and priorities delaying and eroding transport systems into the twenty first century Canada's Century C.E.S. Franks, 1995-06-27 Governance Quebec s place in Canada French English relations multiculturalism the party system electoral processes the regulatory function and aspects of culture and social science are among the subjects addressed Contributors include G rard Bergeron Edwin R Black Alan Cairns R K Carty L on Dion O P Dwivedi Iain Gow C E S Franks William P Irvine Jane Jenson Jean Laponce Vincent

Lemieux Peter Leslie Liora Salter Richard Schultz Richard Simeon H G Thorburn and V Seymour Wilson Together the essays provide a comprehensive survey of modern Canadian political thought Canada's Century will be a valuable reference book for scholars and students of Canadian politics *Aboriginal Rights and Self-government* Curtis Cook, Juan David Lindau, 2000 A timely study of the Aboriginal rights movements this collection of essays explores the situation in Canada and Mexico where demands by Native peoples for political autonomy and sovereignty are increasing and suggests why there is little corresponding activity in the United States The contributors address practical questions about the viability of multiple governments within one political system and epistemological questions about recognizing and understanding the other Curtis Cook is professor of political science The Colorado College Juan D Lindau is professor of political science The Colorado College *Canada's Century*, 1995 **The Comparative Turn in Canadian Political Science** Linda White, Richard Simeon, Robert Vipond, Jennifer Wallner, 2009-01-01 Over the past decade the study of Canadian politics has changed profoundly The introspective insular and largely atheoretical style that informed Canadian political science for most of the postwar period has given way to a deeper engagement with and integration into the global field of comparative politics This volume is the first sustained attempt to describe analyze and assess the comparative turn in Canadian political science Canada's engagement with comparative politics is examined with a focus on three central questions In what ways and how successfully have Canadian scholars contributed to the study of comparative politics How does study of the Canadian case advance the comparative discipline Finally can Canadian practice and policy be reproduced in other countries

Communications in Canadian Society Craig McKie, Benjamin D. Singer, 2001 Communications in Canadian Society 5th Edition provides a comprehensive overview and analysis of communications institutions in Canada This edition has been thoroughly updated to take into account the changes taking place in information technology and the effects of this communications revolution in Canada and throughout the world As with previous editions this edition provides a diversity of analytical perspectives with selections by leading authorities in communication studies journalism sociology psychology political science and economics It also provides a strong mix of both classic and contemporary Canadian writing in the field Primarily intended for use at Canadian universities and colleges this book will also be useful to communications professionals and laypersons seeking a better understanding of the communications revolution **Profiles of Canada** Kenneth G. Reconfigurations Alan Cairns, 1995 Over the past thirty years political scientist Alan Cairns has become recognized as perhaps the leading authority on the evolving Canadian constitution and its relationship to government actors political leaders the judiciary the bureaucracy and to ordinary citizens In this third volume of his essays Cairns examines how Canada and Canadians have changed in recent years and why this change has been both traumatic and halting As he writes in the Introduction In nearly every essay the past is a brooding visitor shaping the issues we confront influencing the criteria and processes by which we respond defining the communities that struggle for constitutional living space or surviving as memories in the minds of the constitutional participants And those participants have changed greatly in less than a generation from the eleven male political leaders of executive federalism to include women Aboriginals the disabled third force ethnic Canadians and yet others such as gays and lesbians who are knocking on the doors of the state for constitutional recognition Divided into six parts The Past Present and Future of the Canadian State Where We Have Come From The New Constitutional Culture Citizenship and the Constitution Constitutional Reform and The Constitutional Future the thirteen essays in *Reconfigurations* while never veering too far away from the tremendous impact of the Charter of Rights and Freedoms and of the two recent failures at constitutional renewal Meech Lake and Charlottetown consider how constitutional change has affected and not affected the embedded state and its burgeoning bureaucracy Aboriginal Canadians third force Canadians and our political leaders Also prominent in these extended discussions is the inescapable fact of the English and French founding peoples and in the concluding chapter written especially for this volume Cairns looks at Canada's constitutional future through the lens of the September 1994 Quebec provincial election **Whistling Past the Graveyard** David Martin Thomas, 1997 After 1867 for almost a hundred years Canada was able to leave unresolved certain key

constitutional questions. However, many of these issues have recently returned to the surface. One in particular, the role and place of Quebec, threatens to tear the country apart. Why was this issue avoided for so long? How has Canada tried to deal with it, and what is to be done now? This book explores these and other questions in light of Canada's constitutional past and political present.
