## **Canadas Founding Debates A Conversation With The Founders:**

*Canada's Founding Debates* Janet Ajzenstat, Paul Romney, Ian Gentles, William D. Gairdner, 1999-11-01 How countries are formed is fascinating instructive and critical to their ongoing health witness the numerous references to the Federalist Papers and the Constitution in the recent Impeachment hearings Canada is no exception the founding debates of 1864-73 held in six of the seven territories of British North America show politically and historically astute men forming a great nation And their concerns are as contemporary as today's paper as Canada continues its search for unity and purpose Canada's Founding Debates is not a transcript of all the debates but highlights the most interesting and salient arguments of the founders on the issues of liberty opportunity identity and nationality The editors respond to the issues showing how significant they are today In addition the book reveals the positioning of the country as neither British nor American but something fundamentally new and creative

**Canada's Founding Debates** Janet Ajzenstat, Paul Romney, Ian Gentles, William D. Gairdner, 2017-06-21 Canada's Founding Debates is about Confederation about the process that brought together six out of the seven territories of British North America in the years 1864-73 to form a country called Canada It presents excerpts from the debates on Confederation in all of the colonial parliaments from Newfoundland to British Columbia and in the constituent assembly of the Red River Colony The voices of the powerful and those of lesser note mingle in impassioned debate on the pros and cons of creating or joining the new country and in defining its nature In short explanatory essays and provocative annotations the editors sketch the historical context of the debates and draw out the significance of what was said By organizing the debates thematically they bring out the depth of the founders' concern for issues that are as vital today as they were then the meaning of liberty the merits of democracy the best form of self government the tension between collective and individual rights the rule of law the requirements of political leadership and of course the nature of Canadian nationality Canada's Founding Debates offers a fresh and often surprising perspective on Canada's origins history and political character Previously published by Stoddart Publishing 1999

*The Political Philosophy of Eric Voegelin and His Followers* David R. Cole, 2008 This work is the first book-length criticism of the political philosophy of the noted twentieth-century professor and theorist

**Canadian Books in Print 2002** Marian Butler, 2002-02  
Quill & Quire, 2000 **The Book of Absolutes** William D. Gairdner, 2008-08-21 A lively challenge to postmodern opinion that reveals satisfying and reliable certainties

**Liberal Education, Civic Education, and the Canadian Regime** David W. Livingstone, 2015-09-25 Reflections on the education some early Canadians thought necessary for citizenship and contemporary threats to that education Canadian Books in Print, 2001 **Debates of the Senate of the Dominion of Canada** Canada. Parliament. Senate, 1923 **Discovering Confederation** Janet Ajzenstat, 2014-04-11 A scholar's appreciation of the magnificent achievement that is the Canadian political constitution *The Confederation Debate* R. D. Olling, M. W. Westmacott, 1980 **House of Commons Debates, Official Report** Canada. Parliament. House

of Commons,1907      Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada.  
Parliament. House of Commons,1890      Documentary History of Education in Upper Canada, from the Passing of the  
Constitutional Act of 1791 to the Close of Dr. Ryerson's Administration of the Education Department in 1876: 1874-1875 John
