Canadas Monsters:

Manlike Monsters on Trial Marjorie M. Halpin, Michael M. Ames, 1980 Sasquatch Bigfoot Yeti the Abominable Snowman and other manlike creatures have been reported in many cultures throughout history Now for the first time international experts examine arguments for and against their existence **Field Guide to Lake Monsters, Sea Serpents, and Other Mystery Denizens of the Deep** Loren Coleman, 2003-10-27 From the serpentine Champie of Lake Champlain to the venerable Nessie of Loch Ness extraordinary and unexplained creatures of the deep have been reported in sightings throughout the twentieth century Now two of the world's leading cryptozoological investigators provide a globetrotting field guide to when where and what kind of mysterious aquatic beasts have gripped the public and sometimes the scientific imagination Filled with comprehensive drawings classifications and maps their book offers an invaluable and unusual resource for the intrepidly curious to investigate these sightings firsthand or to simply enjoy the fascinating accounts that others have given **A Bibliography of Canadian Folklore in English** Edith Fowke, Carole Henderson-Carpenter, 1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres folktales folk music and dance folk speech and naming superstitions popular beliefs folk medicine and the supernatural folk life and customs folk art and material culture and within genres by ethnic groups Anglophone and Celtic Francophone Indian and Inuit and other cultural groups The items include reference books periodicals articles records films biographies of scholars and informants and graduate theses Each item is annotated through a coding that indicates whether it is academic or popular its importance to the scholar and whether it is suitable for young people The introduction includes a brief survey of Canadian folklore studies putting this work into academic and social perspective The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end of 1979 It is concerned with legitimate Canadian folklore whether transplanted from other countries and preserved here or created here to reflect the culture of this country It distinguishes between authentic folklore presented as collected and popular treatments in which the material has been rewritten by the authors Intended primarily for scholars of folklore international as well as Canadian the book will also be of use to scholars in anthropology cultural geography oral history and other branches of Canadian culture studies as well as to librarians teachers and the general public **Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e** Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children's books and a basic book list for librarians teachers and parents are included in this charmingly illustrated volume **The Morals of Monster Stories** Leslie Ormandy, 2017-08-14 The simplicity of children's picture books stories told with illustrations and a few well chosen words or

none at all makes them powerful tools for teaching morals and personal integrity Children follow the story and see the characters behaviors on the page and interpret them in the context of their own lives But unlike many picture books most children s lives don t feature monsters This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters Topics include monsters as instructors the normalization of strangers or the other fostering gender norms and therapeutic monsters among others

In Search of Canadian Materials ,1978 Canada's Monsters Betty Sanders Garner,1976 A cross country survey includes sea and lake monsters Sasquatch and others **Encyclopedia of Cryptozoology** Michael Newton,2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology *In Review; Canadian Books for Children* ,1982 *Monsters, a Guide to Information on Unaccounted for Creatures, Including Bigfoot, Many Water Monsters, and Other Irregular Animals* George M. Canadas Monsters Introduction

In today's digital age, the availability of Canadas Monsters books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Canadas Monsters books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Canadas Monsters books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Canadas Monsters versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Canadas Monsters books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Canadas Monsters books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Canadas Monsters books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Canadas Monsters books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Canadas Monsters books and manuals for download and embark on your journey of knowledge?
