**Civil-Military Relations and Shared Responsibility** Dale R. Herspring, 2013-06 A provocative approach to evaluating civil military relations Dale R Herspring considers the factors that allow some civilian and military organizations to operate more productively in a political context than others bringing into comparative study for the first time the military organizations of the U S Russia Germany and Canada Refuting the work of scholars such as Samuel P Huntington and Michael C Desch Civil Military Relations and Shared Responsibility approaches civil military relations from a new angle military culture arguing that the optimal form of civil military relations is one of shared responsibility between the two groups Herspring outlines eight factors that contribute to conditions that promote and support shared responsibility among civilian officials and the military including such prerequisites as civilian leaders not interfering in the military's promotion process and civilian respect for military symbols and traditions He uses these indicators in his comparative treatment of the U S Russian German and Canadian militaries Civilian authorities are always in charge and the decision on how to treat the military is a civilian decision However Herspring argues failure by civilians to respect military culture will antagonize senior military officials who will feel less free to express their views thus depriving senior civilian officials most of whom have no military experience of the expert advice of those most capable of assessing the far reaching forms of violence This issue of civilian respect for military culture and operations plays out in Herspring's country case studies Scholars of civil military relations will find much to debate in Herspring's framework while students of civil military and defense policy will appreciate Herspring's brief historical tour of each countries post World War II political and policy landscapes

**The Insubordinate and the Noncompliant** Howard Coombs, 2008-03-28 The Unwilling and the Reluctant Theoretical Perspectives on Disobedience in the Military and The Apathetic and the Defiant Case Studies of Canadian Mutiny and Disobedience 1812 1919 are the first two volumes in a series devoted to disobedience issues in the Canadian military Now with The Insubordinate and the Noncompliant the trilogy is complete Military leadership has both formal and informal dimensions The formal leadership of any organization must ensure that it minimizes the divergence between institutional

aims and the actions of informal leaders When this separation occurs the result is sometimes mutiny These incidents of insubordination and noncompliance represent a form of dialogue between military personnel and their leadership The Insubordinate and the Noncompliant offers a perspective on the Canadian experience with military mutiny in the twentieth century in an effort to provide relevant lessons for today *Two-Edged Sword* Nicholas Tracy,2012 An examination of the Royal Canadian Navy and its promotion of sovereignty through collective defence **A National Force** Peter Kasurak,2013-11-01 Canadians consider the period between the Second World War and the unification of the armed services in 1968 as a golden age a time when their army dropped the shackles of its imperial past and emerged as a truly national peacekeeping force In this landmark book Peter Kasurak draws on recently declassified documents to show that this era was in fact clouded by the army s failure to loosen the grasp of British army culture produce its own doctrine and advise political leaders effectively The discrepancy between the army s goals and the Canadian state s aspirations as a peacemaker in the postwar world resulted in a series of civilian military crises that ended only when the scandal of the Somalia Affair in 1993 forced reform Kasurak offers an illuminating account of the organizational growing pains that wracked the Canada s army as it evolved into a force that could reflect the aspirations of both its country and military leadership Annual Militia List of the Dominion of Canada Canada.
