**Canada's Economic Strategy** James Laxer, 1981

**The New Practical Guide to Canadian Political Economy**

Daniel Drache, Wallace Clement, 1985-01-01 The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication The book is divided into twenty five subject bibliographies each one compiled and introduced by an expert in the field The overall range of subjects includes economic development in Canada Canada s external economic relations regional disparities and regional development social and economic classes women Native peoples politics and the Canadian state nationalism culture and political thought The book is indexed by author and includes a helpful shortlist of the staples in Canadian political economy Published in 1985 The New Practical Guide to Canadian Political Economy remains a useful reference to some of the classic literature of the discipline *Rebuilding from Within* Abraham Rotstein, Canadian Institute for Economic

Policy, 1984 *The Liberal Idea of Canada* James Laxer, Robert Laxer, 1977-01-01 Canada in the late 1970s was beset by severe constitutional and economic problems Public debate on these issues dominated by the ideas of Pierre Trudeau was extremely limited in scope and failed to provide any compelling sense of hope for the future James Laxer and Robert Laxer seek out the roots of this dilemma with an analysis of the basic strategies of the Liberal Party s system of governing Canada instituted by Wilfrid Laurier and refined by the governments of Mackenzie King Louis St Laurent and Lester Pearson The political legacy that Pierre Trudeau inherited in 1968 they argue was flawed in both its methods of dealing with an enduring French Canadian nationalism and its shaky underpinnings in Canada s branch plant economy First published in 1977 The Liberal Idea of Canada remains a wide ranging and insightful analysis of the ideological foundations of Canada s dominant political party The Canadian State Heather Whiteside, 2025-05-15T00:00:00Z Inspired by trailblazing work in the field

this wide ranging collection makes an essential and timely intervention through new theoretical contributions that build on decades of critical analysis of the Canadian state as an agent active in capitalist development in a global era The Canadian State explores the state s distinctive role in the development of a political economy shaped by capitalism and settler colonialism Paying critical attention to how the state exercises accumulation legitimation and coercion in unique ways the book provides an essential guide to understanding the multidimensional character of Canada s contemporary state form Leading contributors in their field provide cutting edge chapters on settler colonialism land ownership extractivism energy services care work democracy finance commercialization employment and trade and investment **The Palgrave**

**Handbook of Canada in International Affairs** Robert W. Murray, Paul Gecelovsky, 2021-04-29 This book argues that Canada and its international policies are at a crossroads as US hegemony is increasingly challenged and a new international order is emerging The contributors look at how Canada has been adjusting to this new environment and resetting priorities to meet its international policy objectives in a number of different fields from the alignment of domestic politics along new

foreign policies to reshaping its international identity in a post Anglo order its relationship with international organizations such as the UN and NATO place among middle powers management of peace operations and defense role in G7 and G20 climate change and Arctic policy development and relations with the Global South Embracing multilateralism has been and will continue to be key to Canada s repositioning and its ability to maintain its position in this new world order This book takes a comprehensive look at Canada s role in the world and the various political and policy variables that will impact Canada s foreign policy decisions into the future Chapter 22 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

**Economic Resources of Canada in Relation to Britain's Food Supplies** Sir Robert Henry Rew,1925 **Continentalizing Canada** Gregory J. Inwood,2005-01-01 Free trade has been a highly contentious issue since the Conservative government of Brian Mulroney negotiated the first deal with the United States in the 1980s Tracing the roots of Canada s contemporary involvement in North American free trade back to the Royal Commission on the Economic Union and Development Prospects for Canada in 1985 also known as the Macdonald Commission Gregory J Inwood offers a critical examination of the commission and how its findings affected Canada s political and economic landscape including its present day reverberations Using original research including content analysis interviews archival information and surveys of relevant literature Inwood argues that the Macdonald Commission created an atmosphere and political discourse that made the continentalization of Canada possible by way of free trade agreements with the U S and Mexico Through the use of a suspect research program and with the aid of a select oligarchy within the Commission and the government bureaucracy opposition to continentalism from both the majority of the Canadian population and even several commissioners was ignored Accessible to readers interested in Canadian politics policy or economy *Continentalizing Canada* offers a thorough examination into the Macdonald Commission and the resulting discourse in the Canadian political economy *The Data-driven Economy* ,2019 **Mediating Innovation Policy Delivery** Charles Conteh,2025-03-31 Report cards and academic scholarship have been critical of innovation policy in Canada But what if these reports have done a profound injustice to the story of knowledge driven economic reinvention and the actual transformation taking place in the country Spotlighting what is happening in cities and regions across Ontario *Mediating Innovation Policy Delivery* argues that it is far more nuanced and exciting than what has been captured in scorecards and report cards The book explores the intermediary institutions the organizational brokers at the frontline of Canada s innovation race that are shepherding the process of economic reinvention in regions large and small The book draws on case studies to explore three central themes The first is about innovation innovation policy and their delivery systems The second is that of regions as the frontlines of technological and socioeconomic change in the Canadian federation The third covers the role of intermediary institutions as innovation platforms highlighting their triumphs and tribulations as they strategically navigate through the shifting currents of change The book s main lessons apply not just to Ontario and Canada but also to

other industrialized democracies worldwide Ultimately the book advances our knowledge of organizational instruments of innovation policy delivery that operate at the strategic interface between the state market and society     Meeting of the Canada-United States Interparliamentary Group United States. Canadas Economic Strategy: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Canadas Economic Strategy : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Canadas Economic Strategy : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
