A Story of Clans, Tongs, Murder, and Bigotry

Ian Macdonald  
and Betty O'Keefe

# Canadian Holy War A Story Of Clans Tongs Murder And Bigotry

**Annelies Wilder-Smith**

## **Canadian Holy War A Story Of Clans Tongs Murder And Bigotry:**

**Canadian Holy War** Ian Macdonald, Betty O'Keefe, 2011-02-01 Scottish nursemaid Janet Smith was the victim of a 1924 tragedy that ignited racial tension in a very young Vancouver At the core of the issue were the mysterious circumstances surrounding Smith's death particularly the fact that the only other adult in the house at the time was the Chinese houseboy When Smith's death was followed by the assassination of Davie Lew a well known Chinese man it only strengthened the European view that Vancouver's Asian community was a hotbed of violence and corruption Newspaper editors and most of Vancouver's white community raised an outcry charging the police with incompetence and demanding arrests while Presbyterian indignation called for law and order as well as an end to Chinese immigration Before the summer was over the tongs of Chinatown and the clans of Canada's West Coast were set to defend their own and one Scottish minister went so far as to declare it a time of holy war **The Ku Klux Klan in Canada** Allan Bartley, 2020-10-13 The Ku Klux Klan came to

Canada thanks to some energetic American promoters who saw it as a vehicle for getting rich by selling memberships to white mostly Protestant Canadians In Ontario Saskatchewan Alberta and British Columbia the Klan found fertile ground for its message of racism and discrimination targeting African Canadians Jews and Catholics While its organizers fought with each other to capture the funds received from enthusiastic members the Klan was a venue for expressions of race hatred and a cover for targeted acts of harassment and violence against minorities Historian Allan Bartley traces the role of the Klan in Canadian political life in the turbulent years of the 1920s and 1930s after which its membership waned But in the 1970s as he relates small extremist right wing groups emerged in urban Canada and sought to revive the Klan as a readily identifiable identity for hatred and racism The Ku Klux Klan in Canada tells the little known story of how Canadians adopted the image and ideology of the Klan to express the racism that has played so large a role in Canadian society for the past hundred years right up to the present **Dr. Fred and the Spanish Lady** Betty O'Keefe, Ian Macdonald, 2004 In the wake of SARS and

H1N1 this story of medical health officer Dr Fred Underhill and his battle against the 1918 Spanish influenza that killed 25 to 50 million people worldwide is particularly relevant Underhill is symbolic of the senior public health officers in cities across Canada and the U S who mounted the best defence they could against the killer flu His vision his tireless efforts and his dialogue with colleagues in Seattle and elsewhere saved many lives And his patient advice and findings are still relevant today as we await the new viral epidemics that undoubtedly lie ahead In their enlightening account of the events of that era authors O'Keefe and Macdonald have crafted a compelling story of people coming together in a time of crisis **British**

**Columbia Murders** Susan McNicoll, 2011-02-01 In July 1924 Scottish nursemaid Janet Smith was murdered in Vancouver's wealthy Shaughnessy Heights Her killer was never apprehended but the investigation had shocking consequences Twenty years later Molly Justice was stabbed to death in a Saanich park Her murderer has never been charged even though police were virtually certain of his identity for over 50 years Susan McNicoll's dramatic accounts of six of British Columbia's most

intriguing murders span a century of crime from a 1904 Victoria Chinatown murder to a modern cold case from Vernon solved through DNA analysis of an unusual kind

**Scotland, empire and decolonisation in the twentieth century**

Bryan Glass, John M. MacKenzie, 2017-03-01 This volume represents one of the first attempts to examine the connection between Scotland and the British empire throughout the entire twentieth century As the century dawned the Scottish economy was still strongly connected with imperial infrastructures like railways engineering construction and shipping and colonial trade and investment By the end of the century however the Scottish economy its politics and its society had been through major upheavals which many connected with decolonisation The end of empire played a defining role in shaping modern day Scotland and the identity of its people Written by scholars of distinction these chapters represent ground breaking research in the field of Scotland s complex and often changing relationship with the British empire in the period The introduction that opens the collection will be viewed for years to come as the single most important historiographical statement on Scotland and empire during the tumultuous years of the twentieth century A final chapter from Stuart Ward and Jimmi stergaard Nielsen covers the 2014 referendum

**Working Girls in the West** Lindsey McMaster, 2008-07-01

As the twentieth century got under way in Canada young women who entered the paid workforce became the focus of intense public debate Young wage earning women working girls embodied all that was unnerving and unnatural about modern times the disintegration of the family the independence of women and the unwholesomeness of city life These anxieties were amplified in the West Long after eastern Canada was considered settled and urbanized the West continued to be represented as a frontier where the idea of the region as a society in the making added resonance to the idea of the working girl as social pioneer Using an innovative interpretive approach that centres on literary representation Lindsey McMaster takes a fresh look at the working heroine of western Canadian literature alongside social documents and newspaper accounts of her real life counterparts Working Girls in the West heightens our understanding of a figure that fired the imagination of writers and observers at the turn of the last century

**Criminalizing Women, 2nd Edition** Gillian Balfour, Elizabeth

Comack, 2021-01-10T00:00:00Z Criminalizing women has become all too frequent in these neo liberal times Meanwhile poverty racism and misogyny continue to frame criminalized women s lives Criminalizing Women introduces readers to the key issues addressed by feminists engaged in criminology research over the past four decades Chapters explore how narratives that construct women as errant females prostitutes street gang associates and symbols of moral corruption mask the connections between women s restricted choices and the conditions of their lives The book shows how women have been surveilled disciplined managed corrected and punished and it considers the feminist strategies that have been used to address the impact of imprisonment and to draw attention to the systemic abuses against poor and racialized women In addition to updating material in the introductions and substantive chapters this second edition includes new contributions that consider the media representations of missing and murdered women in Vancouver s Downtown Eastside the gendered

impact of video surveillance technologies CCTV the role of therapeutic interventions in the death of Ashley Smith the progressive potential of the Inside Out Prison Exchange Program and the use of music and video as decolonizing strategies

*Canadian Books in Print. Author and Title Index* ,1975      **Canadian Book Review Annual** Joyce M. Wilson,2001

**Quiet Reformers** Ian Macdonald,Betty O'Keefe,2010 This lively biography of Bishop Edward Cridge and his wife Mary paints a vivid picture of early Victoria as it developed from an isolated Hudson s Bay Company post into the bustling capital of British Columbia Recruited from England by Governor James Douglas in 1854 to be the Church of England chaplain of Fort Victoria Edward Cridge became an important figure in the spiritual life of the city as the rector of Christ Church The Cridges also became two of Victoria s foremost social reformers leaving an indelible mark on British Columbia s social institutions Living through the terrible smallpox and black measles epidemics the latter taking four of their own children the inseparable pair worked to create the first hospital beginning with a few beds in a rented cottage and living to see it transformed into the Royal Jubilee As the first superintendent of education Cridge played an essential role in B C s early school system When abandoned children were left at the parsonage door Mary created Victoria s first orphanage The biography also tells of Cridge s very public argument with Bishop Hills a dispute that caused him to break with the Church of England to found and build the Church of Our Lord a Reformed Episcopal church which is today an historic Victoria landmark Included also are cameos by many of the notable people of the day such as Emily Carr who as a young girl lived opposite the Cridge family

International Economics Hendrik Van den Berg,2016-11-17 Now in its third edition Hendrik Van den Berg s International Economics A Heterodox Approach covers all of the standard topics taught in undergraduate international economics courses Written in a friendly and approachable style this new edition is unique in that it presents the key orthodox neoclassical models of international trade and investment while supplementing them with a variety of heterodox approaches This pluralist approach is intended to give economics students a more realistic understanding of the international economy than standard textbooks can provide Changes to the new edition include updates throughout to reflect recent world events including coverage of trade negotiations and the Greek crisis expanded discussion of pluralist approaches with more coverage of alternative schools of thought discussions of the growing financialization of global economic activity additional real world examples increased coverage of environmental issues transnational corporations and their behavior in the international economy the difference between international investment and international finance and monetary history a consolidated and updated chapter on international banking This book also maintains a broad perspective that links economic activity to the social and natural spheres of human activity with emphasis on the distributional and environmental effects of international trade investment finance and migration Chapter summaries key terms and concepts problems and questions and a glossary are included in the book A Student Study Guide and an Instructor s Manual are available online      **American Book Publishing Record** ,2001
