Canadian Way Shaping Canada's Foreign Policy 1968-1984:

Growing to One World Eileen R. Janzen, 2013-11-06 An illuminating look at the life and work of the man F R Scott called the most Canadian of us all Avoiding Armageddon Andrew Richter, 2002-06-25 DOCTYPE html PUBLIC W3C DTD HTML 3.2 EN meta name generator content HTML Tidy see www.w3.org Drawing on previously classified government records Richter reveals that Canadian defence officials independently came to strategic understandings of the most critical issues of the nuclear age regarding the use of force in resolving disputes Canadian appreciation of deterrence arms control and strategic stability differed conceptually from the US models Similarly Canadian thinking on the controversial issues of air defence and the domestic acquisition of nuclear weapons was primarily influenced by decidedly Canadian interests This book illustrates Canada's considerable latitude for independent defence thinking while providing key historical information that helps make sense of the contemporary Canadian defence debate The Politics of Canadian Foreign Policy Kim Richard Nossal, 1997 **The Canadian Way** Ivan L. Head, Pierre Elliott Trudeau, 1995 Shaping Canada's Foreign Policy 1968-1984 The Canadian Way provides a fascinating insider's view of an important period in the development of Canada's foreign policy

Canadian Foreign Policy Andrew Fenton Cooper, 1997 **Readings in Canadian Foreign Policy** Christopher John Kukucha, Duane Bratt, 2007 This is a reader for courses in Canadian foreign policy it can be used on its own as a core text or alongside a single authored text The book is structured in six sections covering a broad range of topics approaches to Canadian Foreign Policy external sources domestic sources of CFP security trade and economic issues and social considerations which include human rights environment and development issues *Canada Et la Guerre Froide, 1943-1957* Canada. Department of Foreign Affairs and International Trade, 1998 This collection of essays on Canada and the early Cold War emerges from a colloquium held in November 1997 to mark the 30th anniversary of the publication of the 1st volume in the series Documents on Canadian External Relations DCER Topics discussed include relations between Canada the great powers and Germany the Cold War in Asia Canada and the United Nations UN the transition from World War II to the Cold War Canada's contribution to the creation of a North Atlantic Community the UN Declaration of the Rights of the Child and Canada's international economic relations **Index de Périodiques Canadiens**, 2002 **Canadian International Relations** Daniel R. Madar, 2000 **The Other Cold War** Christopher R. Kilford, 2010 Christopher Kilford sets out to carefully examine how Canada became involved with the provision of military equipment advice and training to armed forces throughout the developing world after 1945 impact that military assistance had in several 19th century countries and why later in the 1960s militaries were often viewed as the best means to encourage wider societal modernization while also preventing the spread of communism This latter issue was a key reason why Ottawa found itself authorizing military assistance missions in the post war period until such efforts at the urging of Prime Minister Pierre Trudeau effectively dried up in the early 1970s from back cover *Canada's Global Engagements and Relations with India* Abdul Nafey, 2007 Papers

presented at the International Conference on Canada's Global Engagements held at New Delhi in May 2002 *Minutes of Proceedings and Evidence of the Standing Committee on External Affairs and International Trade* Canada. Parliament. House of Commons. Standing Committee on External Affairs and International Trade, 1997 **The Seventies in America** John C. Super, Tracy Irons-Georges, 2006 Presents volume two of a three volume encyclopedia that describes the events movements trends people sports science music politics and more of the 1970s listed in alphabetical order Political Parties, Representation, and Electoral Democracy in Canada William Paul Cross, 2002 In *Political Parties Representation and Electoral Democracy in Canada* eighteen leading political scientists address a wide range of questions concerning political representation in Canada today from the pressures for reform generated by voters discontent to the problems that can arise when demands for a more democratic political processes appear to conflict with a long tradition of brokerage politics Other topics include the efforts that parties have made to be more inclusive democratic and responsive the decline in support for brokerage practices and elite accommodation the rise in anti party sentiment and as a consequence the increase in interest group activity women's representation in the political process and the increasing range of issues open to the political process and public debate Canadian Book Review Annual, 1995 The Ambiguous Champion Linda Freeman, 1997 The *Ambiguous Champion* is the first comprehensive and critical study of Canadian foreign policy towards South Africa Freeman challenges the conventional belief that successive Canadian governments took the high road leading the international struggle against apartheid She shows that Canadian policy like the policy of other Western states was complex ambiguous and contradictory Freeman's approach offers an alternative understanding of the forces shaping Canadian foreign policy Legend has it that Canadian prime ministers from Diefenbaker to Mulroney led the way in the international campaign against the apartheid state in South Africa Yet before Mulroney came to power except on a few occasions in the Commonwealth Canadian prime ministers did little to support the anti apartheid cause While Mulroney did significantly better invoking concrete economic sanctions and tackling Margaret Thatcher within the Commonwealth the policies of his government were compromised and limited the claims made for it excessive The state championed a cause but followed through in a highly ambiguous way Central to the explanation is an exploration of the influence groups within civil society especially the private sector on the formation of state policy Attention is also given to the way which churches trade unions universities anti apartheid groups and the media played in calling for a stronger Canadian policy against apartheid The approach offers an alternative way of understanding how foreign policy is made which goes beyond the South African case The *Ambiguous Champion* will challenge scholars in Canada and abroad in their analyses of relations with South Africa It is a major contribution to both the history and theory of Canadian foreign policy Canada and the Circumpolar World Canada.
