Canadian Competition Law Handbook:

The Canadian Competition Law Handbook C. J. Michael Flavell, Christopher J. Kent, 1997-01-01 Canadian Competition Law and Policy Canada. Bureau of Competition Policy, 1990 The nature and the role of competition policy in Canada's history is a subject of growing interest This bibliography provides a comprehensive picture of the development of Canada's competition law and policy over the past 100 years EC Competition Law Handbook Marc van der Woude, Christopher Jones, Nicolas Charbit, 2008 This volume provides a complete breakdown of all EC competition law developments in the last year it is clearly laid out to ensure the relevant information is easily accessible It also contains all the relevant EC legislation cases and decisions helping you work effectively through this area of law **Competition Laws Outside the United States** H. Stephen Harris, 2001 **An Introductory Guide to EC Competition Law and Practice** Valentine Korah, 1994 Canadian Constitutional Law Handbook Louis Ben Zion Davis, 1985 The Practical Guide to Canadian Legal Research Nancy McCormack, John Papadopoulos, Catherine Anne Cotter, 2010 **Essentials of Competition Law**, 2002 EEC Competition Law Handbook Marc van der Woude, Christopher Jones, Xavier Lewis, 1990 This reference work draws together facts and material from a wide variety of sources enabling business advisers and legal practitioners dealing with competition matters to locate relevant information quickly The Canadian Legal Expert Directory, 2003 *Canadian Competition Law and Policy* John Tyhurst, 2025-02-21 Competition law is centred on the idea that competitive markets can efficiently and effectively deliver the goods services and economic growth that society desires It seeks to promote the proper functioning of markets in order to deliver such benefits as low prices consumer choice and innovative products This is done through provisions such as criminal offences for price fixing and other anti competitive agreements between competitors through the review of mergers that may prevent or lessen competition and through remedies against dominant firms that may exclude competitors or create barriers to entry Competition laws have gained importance internationally in recent decades and are now present in over 130 jurisdictions worldwide Canadian Competition Law and Policy provides a succinct and accessible analysis of the Competition Act and related legislation regulations enforcement guidelines and other guidance issued by the Competition Bureau The discussion provides extensive case examples drawn from Canadian American European and other competition law authorities to illuminate concepts and legal tests The book seeks to offer students lawyers and others interested in the subject a practical guide to the context objectives and evolution of the Canadian competition law scheme by providing an overview of the jurisprudential and legislative history an approachable outline of key economic concepts and a review of methods and approaches applied by economists and lawyers to the analysis of competition law problems While this book is focused on the law the discussion also touches on topics related to the broader subject of competition policy which deals with such matters as how competition legislation is designed and implemented and its interplay with regulatory and other government policies that may affect the competitive market An emerging issue in this respect is the conduct of

dominant firms in digital and data driven markets and the extent to which competition law is equipped to address this conduct or may need to adapt or change to do so Canadian Competition Law and Policy addresses other fascinating and challenging examples of industry structures such as oligopolistic markets and market conduct such as tied selling and predatory pricing that require a blend of business economics law and related disciplines for their analysis
