Canadian Encyclopedia:

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have

distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada The Canadian Encyclopedia: Min-Sta ,1988 **The Canadian Encyclopedia: For-Pat** ,1985 **The Canadian Encyclopedia** ,1999 The Canadian Encyclopedia James H. Marsh,1988 *Fields of Gold Beneath Prairie Skies* Suzanne de Montigny,2018-03-03 French Canadian soldier Napoleon proposes to Lea during WWI promising golden fields of wheat as far as the eye can see After the armistice he sends money for her passage and she journeys far from her family and the conveniences of a modern country to join him on a homestead in Saskatchewan There she works hard to build their dream of a prospering farm clearing fields alongside her husband through several pregnancies and even after suffering a terrible loss When the stock market crashes in 29 the prairies are stricken by a long and abysmal drought Thrown into poverty she struggles to survive in a world where work is scarce death is abundant and hope dwindles Will she and her family survive the Great Depression *Media, Structures, and Power* Robert E. Babe,2011-01-01 Media Structures and Power provides a sense of Babe s trajectory of thought over several decades as well as his key role in the development of the communications field in Canada Kevin Dowler Department of Communication Studies York University

Encyclopedia of Canadian Social Work Francis J. Turner,2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary **The Canadian Encyclopedia: Edu-Min** ,1988 The Canadian Encyclopedia Online ,19?? *Lake Trout* Ross H. Shickler,Edward M. Eveland,2001-10-30 The lake trout is one of the most elusive fish in North America and one of the most captivating Based on thirty years of fishing experience Lake Trout offers an in depth look at this majestic fish including everything from the biology of the fish to the history of the areas surrounding the lakes in which they live The first two chapters explore the evolution of the lake trout fisherman and the lessons that have been learned over the years by the authors predecessors Throughout Lake Trout Edward Eveland and Ross

Shickler include anecdotes of their first fishing experiences in Canada and the northern United States and the various successes failures and awe inspiring moments they met along the way Also discussed is the future of the lake trout including pollution fears over fishing and shrinking habitats The Canadian Encyclopedia of Natural Medicine Sherry Torkos,2010-03-02 Natural solutions for living a clean and healthy life Health consciousness is an area of transformational and unprecedented growth in the North American public today More and more people are seeking alternative solutions to conventional medical practices For many a natural approach to healing everything from common ailments to serious diseases is preferable when compared to the invasive medical procedures and prescription drugs that abound Sherry Torkos one of Canada s leading pharmacists is widely regarded for her knowledge of complementary medicine Her latest book The Canadian Encyclopedia of Natural Cures is the definitive source for alternative health care for Canadians it is totally comprehensive and easy to follow providing natural cures for everyday problems such as insect bites and muscle aches as well as for serious chronic disorders such as osteoporosis Parkinson s disease and diabetes Torkos emphasizes the role of lifestyle nutrition exercise and supplements in optimizing health and preventing disease This book features a detailed A to Z reference of ailments and disease with the latest information on the natural cures that have been proven to assist in their treatment Detailed information will also advise readers of potential drug interactions that can occur when supplements are taken alongside prescribed medications Canadians seeking to create a more holistic and personalized health program for themselves and for their families will turn to this reference time and time again **The Canadian Encyclopedia: Sta-Z, Index** ,1988 **The Canadian Encyclopedia Plus** ,1995 *The Canadian Encyclopedia* Canada. Canadian High Commission (Great Britain),1985 **Canadian Encyclopedia of Plants and Flowers** Christopher Brickell,2001 The Canadian Encyclopedia Encyclopedia,1988 **The Canadian Encyclopedia World Edition** ,2000 *The Canadian Magazine* ,1904 The Canadian Antiquarian and Numismatic Journal ,1898
