French This critical edition complete with the story in both Inuktitut syllabics and Latin script utilizes the author's handwritten manuscript as well as interviews with Patsauq to produce a new rigorous examination of this literary and cultural milestone This work also includes the first comprehensive account of the critical response to his writing while underscoring the way the much altered English adaptation from 1970 shaped that response A momentous achievement that situates a new classic in the twenty first century Hunter with Harpoon brings readers back to the roots of Markoosie Patsauq's Inuit story to experience it as it was originally written

increasingly as being a characteristic of Canadian society as a whole rather than a concept focused exclusively on new Canadians While the Canadian population has always been ethnically diverse only recently has the diversity been systematically analysed Ethnic and multicultural studies are remarkably well developed in Canada the editors conclude However they point out one shortcoming more apparent in some fields than others we often know quite well how the dominant group views a minority but we often lack knowledge of the reverse attitudes and opinions Berry and Laponce recommend that we replace one way mirrors with windows preferably open windows BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      The Arctic H.
