Canadian Reference Sources, 1999 **Canadian Reference Sources** Dorothy E. Ryder, 1975 **Canadian Reference Sources** Dorothy E. Ryder, 1973 Canadian Reference Sources Dorothy E. Ryder, Canadian Library Association, 1973 *Literary Research and Canadian Literature* Gabriella Reznowski, 2011-02-07 Canada's rich literary heritage dominated by a multicultural and multilingual presence reflects the country's unique history and experience. In addition, an emerging body of new writers is redefining both the geographic and metaphorical boundaries of Canadian literature. Coupled with the propagation of digital technologies, Canada's burgeoning publishing industry presents unique challenges for both the introductory and seasoned literary researcher. *Literary Research and Canadian Literature: Strategies and Sources* provides researchers with the tools to navigate Canada's multifaceted literary scene. This guide addresses the tools and best practices for selecting and evaluating print and electronic sources related to the extensive and varied literature of Canada. Beginning with an overview of the strategies needed to conduct online research, individual chapters examine general literary reference materials, relevant online library catalogs, including national and union library catalogs, scholarly journals, archival collections, microform and digital collections, periodicals, literary magazines, newspapers, and reviews, and Web and electronic resources. Special topics discussed include little magazines, scholarly gateways, and cultural resources. The guide culminates in a chapter that illustrates the application of the strategies explored to solve a research problem. The strategies discussed within the guide are applicable to both canonical and lesser-known authors, therefore making this work relevant to anyone interested in researching Canadian literature. Reference Sources on Canadian Education, 1978 *Reference Sources for Small and Medium-sized Libraries* American Library Association. Ad Hoc Committee for the Fourth Edition of *Reference Sources for Small and Medium-sized Libraries*, Jovian Lang, Deborah C. Masters, 1984 **Changing Perspectives on International Education** Patrick O'Meara, Howard D. Mehlinger, Roxana Ma Newman, 2001 More than 40 years ago recognizing that higher education would have to take responsibility for educating Americans about other world cultures and societies, Congress passed the National Defense Education Act, later known as the Higher Education Act. Title VI of this act has provided extensive support for foreign languages and area studies development in the nation's universities and colleges. As a result, millions of Americans have been able to acquire knowledge about other parts of the world. Today, there are new issues, demands, and perspectives. Americans are more likely than ever to encounter different cultures, business practices, histories, ideologies, and ways of life. In addition, the United States is increasingly called upon to intervene or mediate in regional and local crises far beyond its borders. U.S. educational institutions must continue to help citizens to have informed opinions about complex international problems. *Changing Perspectives on International Education* is designed to be used by administrators and planners in U.S. education. It covers the field of international studies as it has developed in the United States from its beginnings and accomplishments under Title VI to the current paradigmatic

shifts taking place in research teaching and outreach A major section is devoted to internationalizing the curriculum of K 12 schools It concludes with a look at future trends and how they may affect international scholarship and training in the new century It also provides an extensive bibliography of international resources Reference Sources for Small and Medium-sized Libraries Jovian Lang,1992 This classified annotated bibliography updates the standard sources needed by most small and medium sized libraries for answering reference questions and improving collections The brief succinct annotations provide complete ordering information which may make this a valuable tool for busy librarians **Canadian Reference Sources** Mary E.
