Canaris File

David Bankier, Dan Mikhman

Canaris File:

The Canaris File Čestmír Amort, Ivo Milan Jedlička, 1970 Mike Whicker, 2004-01-01 While working on a top secret project for the U S Navy in 1942 in Evansville Indiana a Jewish metallurgist falls in love with a beautiful woman who is the Nazis top spy and who was sent to the United States to steal the very secret he holds and that could alter the course of the war

The Hangman and His Wife Nancy Dougherty, 2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler s Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author s in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler s Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany s hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fianc e Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father s side And we follow Heydrich s meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich s plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann G ring and drank vintage wine with Albert Speer

The Canaris File Walter Winward, 1984 *German Foreign Policy, 1918-1945* Christoph M. Kimmich, 2013-03-14 Christoph Kimmich s *German Foreign Policy 1918 1945 A Guide to Current Research and Resources* is a comprehensive guide to archival resources and published materials on the foreign policy of Weimar and Nazi Germany It catalogues the archives libraries and research institutes both public and private that house important collections especially in Germany but also elsewhere in Europe and in the United States and describes their holdings terms of access and use and guides and inventories available *German Foreign Policy 1918 1945* also includes a substantial annotated bibliography of published sources ranging from documentary series to significant contemporary accounts from memoirs to secondary works The bibliography reflects current scholarship and draws attention to works that are innovative and accessible It also describes

the various series of the Nuremberg War Crimes Trial Records and the original trial documents available in archives and libraries The guide canvasses the vast and growing offering of materials on the Web digitized print materials archival inventories and source materials In order to expedite work in the archives the guide also explains the organization and functioning of the German foreign ministry between 1918 and 1945 and how it kept and stored its records This third edition offers new information on German archives many of which were consolidated and relocated after German reunification on recently discovered archival holdings and on materials posted on the Web It is a reference source for both established scholars and young researchers offering quick and efficient access to the voluminous research and research materials that are now available

Rescued from the Reich Bryan Mark Rigg, 2008-10-01 When Hitler invaded Warsaw in the fall of 1939 hundreds of thousands of civilians many of them Jewish were trapped in the besieged city The Rebbe Joseph Schneersohn the leader of the ultra orthodox Lubavitcher Jews was among them Followers throughout the world were filled with anguish unable to confirm whether he was alive or dead Working with officials in the United States government a group of American Jews initiated what would ultimately become one of the strangest and most miraculous rescues of World War II The escape of Rebbe Schneersohn from Warsaw has been the subject of speculation for decades Historian Bryan Mark Rigg has now uncovered the true story of the rescue which was propelled by a secret collaboration between American officials and leaders of German military intelligence Amid the fog of war a small group of dedicated German soldiers located the Rebbe and protected him from suspicious Nazis as they fled the city together During the course of the mission the Rebbe learned the shocking truth about the leader of the rescue operation the decorated Wehrmacht soldier Ernst Bloch he was himself half Jewish and a victim of the rising tide of German antisemitism A harrowing story about identity and moral responsibility Rescued from the Reich is also a riveting narrative history of one of the most extraordinary rescue missions of World War II

Killing Hitler Roger Moorhouse, 2007-03-27 For the first time in one enthralling book here is the incredible true story of the numerous attempts to assassinate Adolf Hitler and change the course of history Disraeli once declared that assassination never changed anything and yet the idea that World War II and the horrors of the Holocaust might have been averted with a single bullet or bomb has remained a tantalizing one for half a century What historian Roger Moorhouse reveals in Killing Hitler is just how close and how often history came to taking a radically different path between Adolf Hitler's rise to power and his ignominious suicide Few leaders in any century can have been the target of so many assassination attempts with such momentous consequences in the balance Hitler's almost fifty would be assassins ranged from simple craftsmen to high ranking soldiers from the apolitical to the ideologically obsessed from Polish Resistance fighters to patriotic Wehrmacht officers and from enemy agents to his closest associates And yet up to now their exploits have remained virtually unknown buried in dusty official archives and obscure memoirs This then for the first time in a single volume is their story A story of courage and ingenuity and ultimately failure ranging from spectacular train derailments to the world's first known suicide

bomber explaining along the way why the British at one time declared that assassinating Hitler would be unsporting and why the ruthless murderer Joseph Stalin was unwilling to order his death It is also the remarkable terrible story of the survival of a tyrant against all the odds an evil dictator whose repeated escapes from almost certain death convinced him that he was literally invincible a conviction that had appalling consequences for millions

1939 A R Grogan,2023-01-27 1939 is a Young Adult novel about a group of teenagers in one of the most dramatic years of the last century Rishaan is in the right place and time to meet many interesting people from Indian princesses with a stoic Sikh bodyguard to an exiled Albanian king He is talented with various skills family connections and opportunities that make him the perfect spy What was the secret Rishaan s Grandfather was going to tell him How much did the Indian princess know about his spying for Winston Churchill and could he trust the quiet boy from Czechoslovakia Rishaan Finch is not alone in his adventures he is joined by a group of children from other wealthy and powerful families who have been evacuated from London to the relative safety of Rishaan s parent s estate in the countryside of England Together they form a close group of comrades each with their lives affected by the war clouds covering Europe The first episode 1939 sees Rishaan Finch spying for Winston Churchill who is exiled from politics for being a warmonger Rishaan s eccentric grandfather an ex soldier in the British Colonial Army tells him stories of his adventures in Africa and the Middle East He inadvertently sets Rishaan on a path that will change him forever

Canaris Heinz Hohne,1999-10-18 What emerges in this definitive biography is a panoramic view of the rise and fall of Nazism as reflected in the destiny of one man who hopes for patriotic purposes to harness evil only to be destroyed by it

Holocaust and Justice David Bankier,Dan Mikhman,2010 The Holocaust was not a major issue in the thirteen Nuremberg trials conducted in Germany between 1945 1949 by the International Military Tribunal Can the word justice be used to refer to trials that did not fully recognize the centrality of the Holocaust What was the background of the postwar war crimes trials and what was their impact on society and collective memory How did they shape international law This book brings together observations on these and other issues from a broad range of international scholars on the representation of the Holocaust in the postwar trials and its historiography

Righteous Deception David Johnson,2001-09-30 In the spring of 1944 Adolf Hitler firmly believed that the llies would invade the Continent via the beaches of Normandy Anti Nazi officers in German Intelligence ultimately persuaded him that Normandy would be a mere diversion assuring him that the real invasion would occur at Calais Their campaign of deception convinced Hitler to keep half of the German forces in northern France in Calais to defend against an attack that would never happen This misinformed decision ultimately cost Hitler the war

Canaris Alexander Canaris,1900 File contains press cuttings and biographic notes

Axis Clive Irving,1980

Master of Deception David Mure,1980 I bogen beskriver den vildledningsvirksomhed som under 2 verdenskrig udf rtes af et hold specialister incl forfatteren under ledelse af den n rmest legendariske brigadegeneral Dudley Clarke

SS Intelligence Edmund L. Blandford,2000 In the early thirties Hitler concluded that to achieve his

ambitions of power in Europe absolute control must be established within Germany He entrusted this task to Heinrich Himmler the head of the SS who decided that he needed a small intelligence unit within the SS to monitor Nazi Party members and also anti Nazi factions The Nazi SS Security Service the Sicherheitsdienst SD was formed for that purpose It was created by Reinhard Heydrich and under his dedicated methodical and ruthless hand it grew into one of the most professional and dangerous espionage services in the world SS Intelligence traces its early beginnings its struggle against underfunding and the rival organisations to its triumphs across Europe including the successful operation of spies in Allied countries Of particular interest is a series of events that took place in the late summer of 1940 when the exiled Duke of Windsor and Wallis Simpson were targeted by Hitler as potential allies in his battle to overcome Britain's determination to fight An elaborate plan was hatched to snatch the ex royal couple from Portugal before they departed by sea across the Atlantic It is a fascinating episode involving Hitler's agents Spain Portugal Churchill and the British Secret Service This book reveals many new facts and gives insights that will fascinate every student of Hitler's Third Reich and the spying game Dust jacket *Louis L. Snyder's Historical Guide to World War II* Louis L. Snyder, 1982-12-20 Product information not available

Irish Secrets Mark M. Hull, 2003 *Irish Secrets* graphically tells the little known history of German military espionage activity in Ireland despite Ireland's neutral stance before and during the Second World War It details illicit contacts between officers of the Abwehr German military intelligence and leaders of the Irish Republican Army with the intent of co-ordinating actions against British targets and the Irish state *Irish Secrets* also examines the extent of pro German support in Ireland the fledgling Nazi party in Ireland and the activities of Irish civilians and diplomats abroad who offered to serve Hitler's Germany It scrutinises the personalities and mission profiles of the eleven German agents from both the Abwehr and the SD the SS intelligence service who operated with widely varying degrees of success on Irish soil and unearths the stories of previously unknown German operatives and Irish supporters Many of the most compelling scenarios revolve around the use of recruited Irish nationals for espionage work some details of which are still classified by the British and Irish governments This book explores why German intelligence ultimately failed and proposes that the German effort represented a genuine threat to the Irish state and the Allies alike which seriously threatened the official position of Irish neutrality It makes for a gripping account of the intelligence war and highlights the brilliant creative success of Irish military intelligence in waging a counter espionage campaign that effectively neutralized the German threat Drawing from newly released intelligence files in several countries in depth interviews conducted with the participants and on other previously unpublished primary sources Mark Hull conclusively rewrites what is presently known about a fascinating aspect of the Second World War **The Canaris File**, 1970 A London Bibliography of the Social Sciences, 1973 Vols 1-4 include material to June 1 1929 The Clique, 1982

Unveiling the Magic of Words: A Overview of "**Canaris File**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Canaris File**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word.
