Podcasting Made Simple Daniel Larson,2020-09-28 If you're looking for a step by step walkthrough on how to start a podcast right from the ground with no previous experience then keep reading The medium of podcasting and the personal nature of it the relationship you build with your listeners and the relationship they have with you they could be just sitting there chuckling and listening there's nothing like that Marc Maron Podcasting is the expressional medium with therapeutic

value we've been missing in our lives for decades. Luckily, popularity has been growing exponentially over the last few years. Did you know the number of Americans who are weekly podcast listeners over the last 7 years has tripled? Let alone a 24% increase in the UK from 2018-2019. Although there's never been a better time to get into podcasting with all the contradicting and often false information scattered all over the internet, it's no wonder why so many people often struggle to find a starting point when there's so many conflicting views on what the best quality equipment is, what launch strategy should be used, and even editing. In fact, it can even create the illusion that starting a podcast is a daunting and time-consuming process. You might be reluctant to commit to something you lack both knowledge and experience in, or you're worried that when you do make that leap, there'll be no one on the other side listening. Maybe you're skeptical of whether you'll be able to get guests on as a newbie with no name to yourself. In *Podcasting Made Simple*, you will discover The X factor that leaves listeners craving their next fix of your content. The secret to creating an immersive parasocial relationship with your audience. Why trying to monetize incorrectly can actually ruin your chances of turning your hobby into an income. Why many podcasters' advertisement and promotion actually repels potential listeners. How to create a loveable personal brand through emotional familiarity. The simple, straight-forward guide to recording and editing equipment recommendations. Included: 5 simple tricks to make postproduction a breeze. How to choose and execute the launch strategy that's right for you. Why over half of podcasts are given up on by 6 months down the line. How to format the perfect email that will get sponsors running your way, even if you have a low listenership. Unique ways to start attracting guests and become an authoritative figure. The pre-guest ritual that guarantees a free-flowing interview. The single most important voice technique that you can use to differentiate your show from competitors. This digestible guide is made for people who have no experience, so yes, this will work for you, even if you've never spoken into a microphone. Even if you're not a technology guru and have no presence on social media. Even if you have an extremely busy schedule and a low budget. Even if you think your content ideas are absolutely absurd and no one will listen. Even if there are thousands of podcasts similar to yours already published and you have no marketing experience. If you're ready to start your podcasting journey, then scroll up and click the Add to Cart button now.

How to Start a Podcast for Beginners Maxwell Rotheray, Do you want to start a podcast? Great! Podcasting is a great way to grow your audience and increase sales. Many content creators do this and come back testifying. There are quite some steps for starting a podcast, and you can roll in the mud if you're not guided. Gladly, this guide will lead you through the simplest way. Podcasting should not be that hard. Read on to learn. Podcasting allows you to repurpose and make the most out of your high-performing content. It gives you enough time to know your audience well. You can start a successful podcast even without having a blog or being an established content creator. You can build a new target audience for your brand audience from scratch and with ease when you own a podcast. It even helps you create a deeper bond with your audience. It helps you build credibility and authority in your niche. This is because podcasting presents you as an expert in the industry.

thereby giving you authority The popularity of podcasts is growing widely because it is easier to consume podcasts than written documents Even while people are in a gym driving in their cars or at work they can listen to a podcast There is a high tendency for people to buy your product or purchase the services after you ve advertised it on the podcast This book contains powerful and proven strategies to make the best of podcasting to build profit in your business and to also establish an online presence
