**Quiet Works** Joseph McCormack,2024-10-15 We live and work in a world of nonstop noise It s time to reimagine how we work and make silence the secret ingredient From the time we wake up our workday starts We re on the smartphone texting and emailing scrolling news feeds jumping on video conference calls It s a 24 7 hamster wheel Work culture at the office hybrid or remote is defined by too much information and constant collaboration There s no time and place for thinking alone In Quiet Works Joe McCormack proposes a simple practical and useful way to work more strategically and intentionally You will learn to Make appointments for quiet not run from or cancel them Set boundaries to alert others not to disturb or distract you Balance time spent alone in quiet with time together collaborating Design workspaces that are conducive to quiet Use tools and practices that are realistic and rewarding The noise of constant distractions interruptions and digital devices doesn t need to defeat us We can set the conditions for ourselves colleagues and organizations to slow down periodically while everything is speeding

up Quiet Works will help you become a stronger professional who is empowered and energized to work in a better smarter and more productive way in today s competitive noisy environment      **Journal of Neural Network Computing** ,1989
