SEO and Marketing Automation: Leveraging automation tools for search engine optimization (SEO), social media marketing, and audience engagement to drive traffic and increase visibility. Outsourcing and Delegation: Hiring freelancers or virtual assistants to handle different aspects of content creation, management, and promotion. The term "faceless" suggests that the creator prefers to remain anonymous or undisclosed, possibly to avoid personal branding or to maintain privacy. This approach allows focusing solely on the content and its profitability without associating it with a specific individual. MRR or
