even while you sleep *Posts to Profits* is your complete beginner's roadmap to building a successful blog from scratch. Inside you'll discover how to choose a niche, publish content that attracts loyal readers and grow traffic steadily without burning out. More importantly, you'll learn how to monetize through ads, affiliates and digital products, transforming your blog into a real online business. Whether you want extra cash on the side or a full-time income, this book hands you the proven strategies to start smart, grow fast and finally turn blogging into a profitable lifestyle. *How to Make Money Online for Beginners* Marshall Venn, Are you tired of being told to just get a job when you're trying to break free? This is the ultimate beginner's guide to making real money online without fluff, hype or fake gurus. In this direct, no-nonsense guide, you'll learn how to start freelancing and get paid fast, even with no experience. Sell digital products like ebooks, templates and planners. Leverage affiliate links to earn while you sleep. Build passive income streams like blogs, YouTube and print-on-demand. Avoid scams, shiny object syndrome and burnout. Use SEO and free traffic to create long-term digital income. Launch your first profitable online asset in 30 days or less. Whether you're starting from scratch or struggling to get results, this book gives you everything you need to earn online now and scale later. **Technical Blogging** Antonio Cangiano, 2019-06-21. Successful technical blogging is not easy, but it's also not magic. Use these techniques to attract and keep an audience of loyal, regular readers. Leverage this popularity to reach your goals and amplify your influence in your field. Get more, more users for your startup or open-source project or simply find an outlet to share your expertise. This book is your blueprint with step-by-step instructions that leave no stone unturned. Plan, create, maintain and promote a successful blog that will have remarkable effects on your career or business. Successful people often get recognition by teaching what they know. Blogging is a reliable path to do that while gaining influence in the process. The problem is getting it right. Far too often, professionals start a blog with big hopes only to quickly give up because they don't get speedy results. This book will spare you that fate by outlining a careful plan of action. A plan that will bring amazing benefits to your career, new job possibilities as well as publishing, speaking and consulting opportunities. And if you are blogging for business, you'll attract new IPSeters, partners and outstanding employees. Understand what blogging is and how it can improve your professional and personal life. Devise a plan for your new or existing blog. Create remarkable content that ranks well in Google and is shared by readers. Beat procrastination by employing proven time management techniques that make you an efficient and effective blogger. Promote your blog by mastering on-page and off-page SEO as well as social media promotion without compromising your ethics. Analyze your traffic to understand your audience and measure growth. Build a community around your blog and make the best of your newfound popularity by maximizing its benefits for your career, business or simply for extra income. Create and maintain a successful technical blog that will amplify your impact, influence and reach by following Antonio's step-by-step plan. *The Digital Marketing Handbook* Simon Kingsnorth, 2022-01-03.
