My Father's Brain Sandeep Jauhar, 2025-06-23 There may be up to 10 million Indians living with Alzheimer's disease or related dementias and that number is expected to increase dramatically in the next few decades What is it like to live with and amid this increasingly prevalent condition an affliction that some fear more than death In *My Father's Brain* the distinguished physician and author Sandeep Jauhar sets his father's descent into Alzheimer's alongside his own journey toward understanding this disease and how it might best be coped with if not cured In an intimate memoir rich with humour and heartbreak Jauhar relates how his immigrant father and extended family felt quarrelled and found their way through the dissolution of a cherished life Along the way he lucidly exposes what happens in the brain as we age and our memory falters and explores everything from the history of ancient Greece to the most cutting edge neurological and bioethical research Throughout *My Father's Brain* confronts the moral and psychological

concerns that arise when family members must become caregivers when children's and parents' roles reverse and when we must accept unforeseen turns in our closest relationships and in our understanding of what it is to have a self. The result is a work of essential insight into dementia and into how scientists, caregivers, and all of us in an aging society are reckoning with the fallout.

The Power Paradigm Conrad Riker, *Why Civilization Crumbles When Men Trade Strength for Sensitivity And How to Fix It* Do you feel society punishes raw ambition while demanding you man up? Are you tired of being told masculinity is toxic yet expected to protect, provide, and perform? What if every progress narrative, feminism, A.I., climate dogma, is just a new power grab? Discover why physical dominance built empires and why denying it fuels collapse. Learn how oil wars and nuclear brinkmanship are just testosterone contests with bigger weapons. Unlock why 73% of Fortune 500 CEOs are introverts and what that means for your career. See how Silicon Valley billionaires replaced soldiers as apex predators. Understand why female mating strategies secretly steer markets, wars, and tech. Learn the real reason male suicide spiked 60% since 2010: it's not mental health. Decode why nations with collapsing birth rates import chaos and how to stop it. Find out if A.I. will make you obsolete or turn you into a god. If you want to master the rules of power before they master you, buy this book today.

MASTERING Artificial Intelligence Stefan Hutu, 2025-06-01 A COMPLETE GUIDE TO MASTERING ARTIFICIAL INTELLIGENCE Learn how to prompt, automate, and create with AI efficiently, creatively, and independently. This manual is designed to give you practical mastery of artificial intelligence with real-world applications and clear strategies. Clear, structured, and highly practical, it offers a hands-on approach to prompt engineering without unnecessary theory or complexity.

WHAT YOU WILL LEARN How to write precise and effective prompts. How to automate tasks, generate ideas, solve problems, and build custom workflows. How to integrate AI into your daily life, business, creativity, and learning.

WHAT THIS BOOK CONTAINS Over 750 carefully selected prompts across key areas: personal life, productivity, business, education, content creation, social media, entertainment, and more. Real use cases, expert techniques, prompt variations, and creative styles. A full section on AI integrations and practical automations. This manual is not about shortcuts; it's about mastering the fundamentals, skills that remain relevant no matter how AI evolves. If new tools emerge, what you learn here will still apply. Because true mastery isn't built on trends, it's built on solid principles.

Masculinities and Language Paul Baker, Gavin Brookes, 2025-03-31 Today the topic of gender identity is being discussed more widely than ever before. With the rise of online misogyny and in the wake of #MeToo, language around masculinity and toxic masculinity merits closer examination. Accessibly written by two leading linguists, this book provides a comprehensive treatment of the debates around language and masculinity, asking how language is used to perform masculinity and how language is used to represent men. Including examples of research from a range of international scholars, along with original case studies and engaging examples from popular culture, media, literature, advertising, and politics, the authors address a wide range of theoretical and methodological standpoints. The book examines concepts of gender performativity, hegemonic masculinity, and queer theory, drawing on

disciplines and methods including conversation analysis phonetics ethnography interviews focus groups visual analysis discourse analysis critical discourse studies and corpus linguistics Situating male language use in terms of power dominance and subordination the book concludes with an examination of the more recent concepts of toxic masculinity and healthy masculinity exploring critical stances towards and around language used by men This book demonstrates the role that linguistic research can play in addressing real world problems associated with masculinity problems experienced by people of all genders and the natural world more broadly Masculinities and Language is vital reading for scholars researchers and students of language and gender sexuality identity discourse analysis and sociolinguistics within linguistics English language and related areas The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
