 with no previous experience then keep reading The medium of podcasting and the personal nature of it the relationship you  
 build with your listeners and the relationship they have with you they could be just sitting there chuckling and listening there  
 s nothing like that Marc Maron Podcasting is the expressional medium with therapeutic value we ve been missing in our lives  
 for decades Luckily popularity has been growing exponentially over the last few years did you know the number of Americans  
 who are weekly podcast listeners over the last 7 years has tripled Let alone a 24% increase in the UK from 2018 2019  
 Although there s never been a better time to get into podcasting with all the contradicting and often false information  
 scattered all over the internet it s no wonder why so many people often struggle to find a starting point when there s so many  
 conflicting views on what the best quality equipment is what launch strategy should be used and even editing In fact it can  
 even create the illusion that starting a podcast is a daunting and time consuming process You might be reluctant to commit  
 to something you lack both knowledge and experience in or you re worried that when you do make that leap there ll be no  
 one on the other side listening Maybe you re skeptical of whether you ll be able to get guests on as a newbie with no name to  
 yourself In *Podcasting Made Simple* you will discover The X factor that leaves listeners craving their next fix of your content  
 The secret to creating an immersive parasocial relationship with your audience Why trying to monetize incorrectly can

actually ruin your chances of turning your hobby to an income Why many podcasters advertisement and promotion actually repels potential listeners How to create a loveable personal brand through emotional familiarity The simple straight forward guide to recording and editing equipment recommendations included 5 simple tricks to make postproduction a breeze How to choose and execute the launch strategy that s right for you Why over half of podcasts are given up on by 6 months down the line How to format the perfect email that will get sponsors running your way even if you have a low listenership Unique ways to start attracting guests and become an authoritative figure The pre guest ritual that guarantees a free flowing interview The single most important voice technique that you can use to differentiate your show from competitors This digestible guide is made for people who have no experience so yes this will work for you even if you ve never spoken into a microphone Even if you re not a technology guru and have no presence on social media Even if you have an extremely busy schedule and a low budget Even if you think your content ideas are absolutely absurd and no one will listen Even if there are thousands of podcasts similar to yours already published and you have no marketing experience If you re ready to start your podcasting journey then scroll up and click the Add to Cart button now      **Podcasting For Dummies** Tee Morris,Evo Terra,2005-11-07
