Diana The Last Word:

Diana--The Last Word Simone Simmons, Ingrid Seward, 2005-07-01 During the last five years of her life Princess Diana had one friend and confidante who was special to her She was not part of Diana's social circle she was not a family friend That woman was Simone Simmons a healer who devoted herself to the troubled Princess Simone formed a unique bond with Diana They met almost everyday and spent hours on the telephone Diana opened her heart and mind to Simone who always told the Princess the unvarnished truth No subject was taboo and the two women discussed everything and anything sharing laughter and tears over cups of chamomile tea Since Diana appreciated and trusted her friend's candor Simone got to know the Princess in a way no one else has ever done With Simone Diana felt confident enough to express her true self In 1997 Diana told her friend she wanted her to write a book which revealed the truth about her to tell it like it is This is that book It is truly the last word With her extraordinary insight into Diana's life Simone captures the soul of the Princess and creates an intimate and rich portrait of one of the great icons of the 20th Century In these pages Simone describes how it really was who among the royals was good to Diana and who was hateful her need to be in love and to have an affair her only fling with John F Kennedy Jr at the Carlisle hotel her real relationship with Paul Burrell why she inflicted self harm how she wanted to move to New York or Los Angeles how Mother Teresa hurt her why her relationship with Dodi never would have ended in marriage and her enduring love for Prince Charles Though Diana was extremely insecure with Simone's help and work she became strong and learned that she could heal others around her **DIANA THE LAST WORD** is the fascinating story of how she reached that point It finally settles the unanswered questions of Diana's life and addresses the many revelations that have materialized since her death
