**Diary of a Southern Refugee During the War** Judith

Brockenbrough McGuire, 2013-11-25 Judith Brockenbrough McGuire's *Diary of a Southern Refugee during the War* is among the first of such works published after the Civil War. Although it is one of the most quoted memoirs by a Confederate woman, James I. Robertson's edition is the first to present vital details not given in the original text. His meticulous annotations furnish references for poems and quotations, supply the names of individuals whom McGuire identifies by their initials alone, and provide an in-depth account of McGuire's extraordinary life. Throughout the war years, McGuire made poignant entries in her diary. She wrote incisive commentaries on society, ruminated on past glories, and detailed her hardships. Her entries are a highly personal, highly revealing mixture of family activities, military reports, and rumors, conditions behind the battle lines, and her observations on life, faith, and the future. In providing illuminating background and references that significantly enhance the text, Robertson's edition adds considerably to our understanding of this important work.

the same time have two great hostile armies been stricken down and the wicked designs of our enemies set at naught In such circumstances it is meet and Diary of a Southern Refugee During the War Lady of Virginia,2012-12-24 Published in 1867 this is the diary of a lady from Virginia which was kept during the Civil War **Diary of a Southern Refugee, During the War** Brockenbrough McGuire,1889 Diary of a Southern Refugee During the War by Brockenbrough McGuire first published in 1889 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Diary of a Southern Refugee During the War - Scholar's Choice Edition** Judith White McGuire,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Diary of a Southern Refugee, During the War, 1867** Judith White Brockenbrough McGuire,2019 **Diary of a Southern Refugee During the War, Annotated** J W McGuire,2019-08-06 Written by Judith McGuire originally intended only for members of the family who were too young to remember these days was first published in 1867 This noble southern lady recorded day to day happenings as she wandered across Virginia Concerned that in future histories her grandchildren would be told that their ancestors were tyrants to their servants and traitors to their country she recorded in her diary more than enough proof of the truth The late celebrated and Rev Stuart Robinson wrote of it in a Louisville paper This has proved to us a most fascinating volume It is the diary of a lady evidently a thoughtful refined eminently Christian matron kept for the benefit of her grandchildren from May 1861 when she was obliged to leave her home by the advent of Federal troops to Alexandria Va on through all the days of her sojourn at Winchester Richmond and elsewhere in Virginia till the surrender of Generals Lee and Johnston in April 1865 The reading of a dozen pages of this Diary make it sufficiently manifest that this gallery of inside views of the Southern public opinion and the Southern heart during the memorable era of the civil war are pictures taken from nature and that too photographically these leaves being but the

plates upon which the thoughts and emotions shadowed themselves and were caught as they arose day by day From the Richmond Enquirer and Examiner Friday morning January 19 1868 The Diary of a Refugee is a work unpretending in its character but of rare literary merit and of the deepest interest It was written without any design of publication but to preserve a faithful record for the benefit of the many young friends and near relations of the authoress No true hearted Virginian can read it without the deepest emotion and an interest far surpassing that of the most exciting romance In truth it is the best history of the war in Virginia or of Virginia during the war that has been written no other authors having given to the passing transactions the freshness of reality by recording them as they passed The style is animated graceful and chaste The book is a lively picture of the inner life of the Confederates during the war of their hopes and fears their joys and sorrows through the eventful struggle With all the personal detail is mingled a faithful account of almost every important event from the firing of the first gun at Sumter to the surrender of Gen Johnston The Diary of a Refugee During the War From Southern Society Baltimore This work is as a whole a more faithful representation of the inner life of the Confederates that life which is not shown in histories but felt in the heart and expressed from the lips when friend holds fellowship with friend than any publication which we have seen since the close of the wa
