## Diary In America:

**A diary in America** Frederick Marryat, 1839      A Diary in America Frederick Marryat, 2011-06-02 Captain Frederick Marryat 1792 1848 was a distinguished naval officer today best remembered as a novelist particularly of stories for children often drawing on his own experiences He also edited a radical journal and wrote non fiction including an attack on press gangs which damaged his career He spent 1837 and 1838 travelling in North America publishing his impressions in this unstructured six volume diary in 1839 He states that the number of contradictory and often trivial accounts of American life being published made him want to see the New World for himself He found it impossible to make generalisations given the size of the country and the different origins of new arrivals and did not believe America would become a nation for many years Volume 5 discusses the role of women in American society American patriotism and the constitution and government
