Diary Of A Vampire:

Diary of a Vampire S. Royston, 2005-02 This is my journal my diary It s a personal glimpse into my life and all that would happen to me one fateful summer and fall A record you might say of the events that would change the course of my life for all eternity This is my story and I will tell you all you need to know of me of the life I once had of the girl I once was And of what I have now come to be Have you ever wondered what it would be like to be immortal To live forever To be free of the pain that comes with being human Have you ever wondered what the consequences of such a thing might be If you had to decide between morality and a happiness few ever find which would you choose And what would you do if the choice were suddenly taken from you Diary of a Vampire Gary Bowen, 1995-08-01 Diary of a Vampire J. Lee, 2023-07-18 Kera Stone was born on February 29 1820 a leap year She was left handed and her personality was not considered normal amongst the young women of her time All of these details led her fellow townspeople to label her a witch and worshipper of the devil but she was neither although life would have been easier if she had been both This is her diary It tells the story of the bullying and victimization that ultimately led to what Kera is now In a world of the small minded and judgmental surrounded by cruelty she was lucky to find kindness as well as a new existence opening up to her Kera s diary is the truth of what she was and what she has become As a new creation she found creatures she could never have imagined and love she never knew before Now her time is short She and others like her have lost their ways and started a war Perhaps through her words a solution can be found Perhaps recording her story can save both Kera and her friends before it s too late

Vampire Diary Robert E. Weinberg, 1994 **Diary of a Vampire in Pyjamas** Mathias Malzieu, 2017-05-04 The Diving Bell and the Butterfly meets Reasons To Stay Alive in this beautiful bestselling memoir that has taken the French literary world by storm This memoir by bestselling and award winning author and musician Mathias Malzieu focuses on a single year in which he explores his close encounter with death Insightful tragic and even often very funny it is a hugely inspirational read In November 2013 Malzieu is diagnosed with a rare and life threatening blood disease his bone marrow does not produce enough blood cells and those that survive are being attacked by the body s natural antibodies as if they were viruses Highly anaemic and at risk of a cardiac attack or fatal haemorrhaging Malzieu is whisked into hospital and spends months in a sterile isolation room He is kept alive by blood transfusions while waiting for a bone marrow transplant When he has the energy for it he writes in his diary and strums his ukelele To read this book is to be in awe of the triumph of the human spirit As a reader you find yourself marvelling at how we find the mechanisms to cope with tragedy and uncertainty when faced with the reality that we may die Malzieu s highly active imagination allows him to transcend the limits of his body and its increasing failures through fantasy and escapism His wonderfully addictive childish wonder with a punk Gothic twist lifts the narrative from being a depressing account to a reading experience that is evocative poetic and intensely moving Malzieu survived thanks to a revolutionary operation involving stem cell treatment with the blood from an umbilical cord As he leaves

the hospital with not only a different blood group but also a different DNA he describes himself as the oldest newborn in the world As Malzieu says himself To have had my life saved has been the most extraordinary adventure I have ever had
