Bloshteyn, 2007-01-01 At first glance the works of Fedor Dostoevsky 1821 1881 do not appear to have much in common with those of the controversial American writer Henry Miller 1891 1980 However the influencer of Dostoevsky on Miller was in fact enormous and shaped the latter's view of the world of literature and of his own writing *The Making of a Counter Culture Icon* examines the obsession that Miller and his contemporaries the so called Villa Seurat circle had with Dostoevsky and the impact that this obsession had on their own work Renowned for his psychological treatment of characters Dostoevsky became a model for Miller Lawrence Durrell and Anais Nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions Maria Bloshteyn argues that as Dostoevsky was concerned with representing the individual's perception of the self and the world he became an archetype for Miller and the other members of the Villa Seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives Tracing the cross cultural appropriation and misinterpretation of Dostoevsky's methods and philosophies by Miller Durrell and Nin *The Making of a Counter Culture Icon* gives invaluable insight into the early careers of the Villa Seurat writers and testifies to Dostoevsky's influence on twentieth century literature My Ideal Bookshelf Thessaly La Force, 2012-11-13 The books that we choose to keep let alone read can say a lot about who we are and how we see ourselves In *My Ideal Bookshelf* dozens of leading cultural figures share the books that matter to them most books that define their dreams and ambitions and in many cases helped them find their way in the world Contributors include Malcolm Gladwell Thomas Keller Michael Chabon Alice Waters James Patterson Maira Kalman Judd Apatow Chuck Klosterman Miranda July Alex Ross Nancy Pearl David Chang Patti Smith Jennifer Egan and Dave Eggers among many others With colorful and endearingly hand rendered images of book spines by Jane Mount and first person commentary from all the contributors this is a perfect gift for avid readers writers and all who have known the influence of a great book **Women & Aging** Helen Rippier Wheeler, 1997 Guide with more than two thousand bibliographic entries and cross references It includes journal

Jarczok,2017-02-15 Ana s Nin the diarist novelist and provocateur occupied a singular space in twentieth century culture not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America Before Madonna and her many imitators there was Nin yet until now there has been no major study of Nin as a celebrity figure In *Writing an Icon* Anita Jarczok reveals how Nin carefully crafted her literary and public personae which she rewrote and restyled to suit her needs and desires When the first volume of her diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin s guiding hand in their construction of her public persona The key to understanding Nin s celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin s celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin s writing identity public image and consumer culture Anaïs Nin Paul Herron,Paul S.

Herron,1996 Trapeze Anaïs Nin,2017-05-15 Ana s Nin made her reputation through publication of her edited diaries and the carefully constructed persona they presented It was not until decades later when the diaries were published in their unexpurgated form that the world began to learn the full details of Nin s fascinating life and the emotional and literary high wire acts she committed both in documenting it and in defying the mores of 1950s America *Trapeze* begins where the previous volume *Mirages* left off when Nin met Rupert Pole the young man who became not only her lover but later her husband in a bigamous marriage It marks the start of what Nin came to call her trapeze life swinging between her longtime husband Hugh Guiler in New York and her lover Pole in California a perilous lifestyle she continued until her death in 1977 Today what Nin did seems impossible and what she sought perhaps was impossible to find harmony and completeness within a split existence It is a story of daring and genius love and pain largely unknown until now **Creative People at Work**
