Dicey Brown :

The Fifth Commandment Stuart Haussler, 2004-11 Stuart I Haussler a seventy five year old brings to his novels usually Western and Military knowledge acquired as a Rancher Doctor Teacher and Naval Marine Officer This novel The Fifth Commandment is an intentional fabrication of the mind based on imagination experience and a profound concern about those who would have us turn away from the preeminence of the Ten Commandments The simplicity of the Commandments is their greatest testimony to how the Judeo Christian God envisions how we should ethically conduct ourselves and fulfill our lives Can our society turn away from this testimony and prevail as a republic The Fifth Commandment instructs Honor thy father and mother as the Lord thy God hath commanded thee that thy days may be prolonged and that it may go well with thee in the land which the Lord thy God giveth thee Are there no stipulations qualifications and s if s or but s related to Judeo Christian people following this Commandment Is it to be as with the other Commandments followed to the letter Certainly in this day and age of enlightenment there must be a means to qualify and stipulate whether this honor is warranted but if there is not then what price might a child pay for balancing this Commandment to his or her needs The Fifth Commandment tells a story of the consequences of failing to accept this Commandment as handed down by God and the impact of those consequences on society Once again the author creates the threads of intrigue murder and deceit into the whole cloth of today s truths realities and conflicts conjured up by forces that would undermine the true understanding of life as set forth in the Ten Commandments by God Visit and talk to me www.stuarthaussler.com **Dicey's Song** Cynthia Voigt, 2001-12-07 The Newbery winning novel in Cynthia Voigt s timeless Tillerman cycle When Momma abandoned Dicey Tillerman and her three siblings in a mall parking lot and was later traced to an asylum where she lay unrecognized unknowing she left her four children no choice but to get on by themselves They set off alone on foot over hundreds of miles until they finally found someone to take them in Gram s rundown farm isn t perfect but they can stay together as a family which is all Dicey really wanted But after watching over the others for so long it s hard for Dicey to know what to do now Her own identity has been so wrapped up in being the caretaker navigator penny counter and decision maker that she s not sure how to let go of some responsibilities while still keeping a sense of herself But when the past comes back with devastating force Dicey sees just how necessary and painful letting go can be *Virginia and West Virginia Genealogical Data from Revolutionary War Pension and Bounty Land Warrant Records, Volume 1* Aaron-Cyrus Patrick G.
