book This was evident from the day we received the first written recipe and with it Phil's fiercely intelligent vision for how the book and every recipe within it should be structured It is also manifest in the dozen or so essays that weave throughout that show a profound consideration and passion for every aspect of his craft and industry This is a landmark publication and has become a must have book for every chef and for every serious foodie It can't fail to impress and inspire anyone with a desire for cooking and a thirst for food knowledge It is nothing less than an incredible achievement and a book of truly unbounded culinary ambition Youth's Companion ,1928 **Stevenson Memorial Cook Book** ,1919
