Barrett,2001 **Buddhavacana and Dei Verbum** Michael Fuss,2023-08-07 Challenged by the teaching of Vatican II about the seeds of the Word in non Christian religions this book

investigates the sacred character of the Saddharmapitakam and its relation to the fundamental theological category of scriptural inspiration. In applying the methods of modern exegesis the Sūtra in its ingenious composition is disclosed as a religious drama about the inspirational experience of the Buddha. The draft of a theology of inspiration along the guide lines of the Dogmatic Constitution Dei Verbum of Vatican II elaborates a christology of the Word as its core which allows an extension of inspiration in analogical manner to non Biblical scriptures. The contrast of Christ the Word incarnate and Buddha the Inspired One offers a new contribution to an inter religious dialogue. *Dictionary of Buddhist Iconography* Lokesh Chandra, International Academy of Indian Culture, 1999. The Dictionary details the characteristic attributes, chronology and symbolism of over twelve thousand main and minor deities. It reflects the extraordinary cultural, literary, aesthetic and spiritual achievements of several nations of Asia over two millennia. It will help to identify the masterpieces along with the profusion of masters and divine beings around them. The last few decades have seen an exuberant flourishing of the study and popularisation of the patrimony of Buddhist art for its aesthetic magnificence. This Dictionary will add a dimension of precision and depth of perception to the visual tradition of paintings and sculptures. *Bibliography on Indian Buddhist Art and Archaeology* Utpal Chakraborty, 2006. The Bibliography includes 4081 entries covering published materials in English and French languages over the last two centuries. The book gives a representative overview of what has been researched and accomplished in the field of Indian Buddhist art and archaeology since Wilkins' article on Bodhi Gaya in 1788 or Thomas Daniel's first illustration on the Kanheri Caves in 1798. *Indian Books in Print*, 2003. *Index*, 2000. *The Subject Index to Periodicals*, 1916. *Persica*, 2003. *First International Conference on the History of Early Christianity in India*, 2005.
