Manitoba Premiers of 19th and 20th Centuries Barry Ferguson, Robert Alexander Wardhaugh, 2010 Annotation The province's history of religious linguistic ethnic and class conflict which has often drawn the entire country into its battles is revealed in the biographies of the Premiers Dictionary of Canadian Biography, 1990 **Dictionary of Canadian Biography: 1891-1900**, 1969 *Dictionary of Canadian Biography*, 1966 **Red Coats and Wild Birds** Kirsten A. Greer, 2019-11-21 During the nineteenth century Britain maintained a complex network of garrisons to manage its global empire While these bases helped the British project power and secure trade routes they served more than just a strategic purpose During their tours abroad many British officers engaged in formal and informal scientific research In this ambitious history of ornithology and empire Kirsten A Greer tracks British officers as they moved around the world just as migratory birds traversed borders from season to season Greer examines the lives writings and collections of a number of ornithologist officers arguing that the transnational encounters between military men and birds simultaneously shaped military strategy ideas about race and masculinity and conceptions of the British Empire Collecting specimens and tracking migratory bird patterns enabled these men to map the British Empire and the world and therefore to exert imagined control over it Through its examination of the influence of bird watching on military science and soldiers contributions to ornithology *Red Coats and Wild Birds* remaps empire nature and scientific inquiry in the nineteenth century world *Canada's Arctic Outlet* Howard A. Fleming, Dictionary of Canadian Biography, 1990 **The Dictionary of Canadian Biography** William Stewart Wallace, 1926 **Bibliography of the History of Medicine**, 1982 **Ceramics in the Victorian Era** Rachel Gotlieb, 2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890 Largely ignored in recent scholarship *Ceramics in the Victorian Era Meanings and Metaphors in Painting and Literature* argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period Each case study begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time **Dictionary of Phrase and Fable** Ebenezer Cobham Brewer, 1898 **Canadian Periodical Index**, 1965 **Dictionary of Phrase and Fable, Giving the Derivation, Source, Or Origin of Common Phrases, Allusions, and Words that Have a Tale to Tell** Ebenezer Cobham Brewer, 1895 Dictionary of
