Dictionary Of Gypsy Life And Lore:

Dictionary of Gypsy Life and Lore Harry E. Wedeck, 2015-09-08 Through the centuries Gypsies all over the world have been misunderstood maligned rejected Outcasts of the countries in which they live they have wandered for centuries over the face of the earth They have no homeland no political unity no recognition among nations They have been alone sundered shunned persecuted and banished Until about a century ago their original home had been a matter of dispute Their language had been a source of puzzlement Yet their conduct and their traditions their feeling for music dance and song have all been acclaimed Still they were not accepted and were forced to remain apart from conventional society Here is their epic history with its folktales and beliefs its rites and customs Here is the vast treasury of the Gypsies *Dictionary of Gipsy Life and Lore* Harry Ezekiel Wedeck, Wade Baskin, 1973 Gypsies in the Ottoman Empire Elena Marushiakova, Veselin Popov, 2001 The Roma presence in the European part of the Ottoman Empire the Balkans is centuries old and it is not by accident that this regions has often been called the second motherland of the Gypsies From this region Gypsies moved westwards taking with them inherited Balkan cultural models and traditions This book explores the history ethnography social structure and culture of the Gypsies in the Ottoman Empire It is based on archival sources mainly detailed tax registers special laws guild registers and court documents Notes on Gypsies in books by foreign travellers are also included *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975 *Dictionary of Gypsy Mythology* Claude Lecouteux, 2018-07-10 A comprehensive A to Z reconstruction of the oral tradition of the Rom gypsies based on sources never before available in English Presents the origin myths and magical traditions of the gypsies including their legendary ties to Egypt animal ancestors and tree spirits Examines the three major settings of gypsy folktales the forest the waters and the mountain and shows how their world is full of spirits Shows how the religious concepts of the Rom testify to a profound syncretism of the pagan traditions and Christianity Although their own myths and their common name point to Egyptian origins for the gypsies the Rom as they call themselves originated in India as evidenced by studies of their language They arrived in Europe in the ninth century and spread across the continent from East to West reaching England in the 15th century and Scandinavia by the end of the 16th century A nomadic people these wanderers were reviled by local populaces wherever they went and regarded as misfits intruders foreigners and thieves Drawing on a number of sources never before available outside of Eastern Europe Claude Lecouteux reconstructs the gypsy oral tradition to provide a comprehensive A to Z look at gypsy mythology including their folktales rites songs nursery rhymes jokes and magical traditions His main source is material collected by Heinrich Adalbert von Wlislocki 1856 1907 an ethnologist who lived with gypsies in Romania Transylvania and Hungary in the latter half of the 19th century He presents the origin myths of the gypsies legends which form the ancestral memory of the gypsy tribes and often closely touch on their daily life Lecouteux explores the full range of supernatural beings that inhabit the gypsy world including fairies undines ogres giants dog people and demons and he

examines the three major settings of gypsy folktales the forest the waters and the mountain which they worshiped as a sacred being in its own right He also reveals how coexisting with peoples of different religions led the gypsies to adapt or borrow stories and figures from these groups and he shows how the religious concepts and sacred stories of the Rom testify to a profound syncretism of pagan traditions and Christianity Complete with rare illustrations and information from obscure sources appearing for the first time in English this detailed reference work represents an excellent resource for scholars and those seeking to reconnect to their forgotten gypsy heritage

The Dragon in World Mythology and Culture Robert M. Sarwark, 2024-08-13 Dragons are everywhere seemingly hidden in plain sight These mythological reptilian monsters date far into known human history in nearly every part of the world and are still prevalent in today s media and entertainment The wide cultural geographical and linguistic diffusion of dragons or dragon like creatures shows how modern humans have influenced each other through shared tales of monsters while simultaneously hinting at a shared genesis This book introduces dragon myths and legends from around the world by following human culture s shared evolutionary past via language folklore the arts and commerce Dragons in folklore literature and pop culture are analyzed from Eastern and Western perspectives leading to a dual analysis of dragons in today s popular culture and media While other books on the topic have focused primarily on classical sources or on cataloging various dragon tales in general this work identifies the subtle yet profound ways in which the dragon figure or related motifs have slyly entered into our collective psyche as participants in the modern interconnected world

A Natural History of Nettles Dr. Keith G R Wheeler, 2007-01-16

The first book ever on the much maligned nettles of the world presents a story of these followers of mankind and his cattle throughout history This study centres on the most abundant and sub cosmopolitan common stinging nettle *Urtica dioica* but also deals with other nettles throughout the world Tropical tormentors rich in species include the notorious nettle trees with

their formidable stings which fascinated the Europeans after their discovery by botanists on the round the world trips of exploration in the 17 19th centuries Many people on their travels will have met the nettle trees of the Indo Malay region and other stinging nettles in North and South America India etc which sting and have beautiful flowers but are called nettles these are also dealt with The first microscopists and their descriptions of the beautiful stinging hair the uncovering of the mechanism of its action and the more recent elucidation of the toxins causing the characteristic symptoms is a fascinating one and takes up 3 chapters The book includes the 100 major scientific works published on the common stinging nettle and never brought to the notice of the general public before The author spent six years studying the ecology of the nettle patch its invertebrate herbivores mainly insects and vertebrate herbivores cattle deer etc and their interactions with other plants its secret life is recorded in line drawings and photographs 1000 individual items It was not possible to publish these in colour but they are in full colour on a CD ROM 300 dpi at the back of the book Covered also are nettle folklore fibre use in World War I II as a food fodder herbal medicine growth as a competitor plant habitats sex unique exploding stamens breeding systems variation evolution etc Some the world s most beautiful butterflies would not exist without nettles Book Review Index ,1985 Every 3rd issue is a quarterly cumulation Public Affairs Information Service Bulletin ,1975 Book Review Digest ,1974 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher The People's Almanac David Wallechinsky, Irving Wallace, 1975 A books of facts and figures on a variety of subjects including the United States world history people health war disasters the arts science and technology honors religion and the curious The Late Victorian Folksong Revival E. David Gregory, 2010-04-13 In *The Late Victorian Folksong Revival* The Persistence of English Melody 1878 1903 E David Gregory provides a reliable and comprehensive history of the birth and early development of the first English folksong revival Continuing where Victorian Songhunters his first book left off Gregory systematically explores what the Late Victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs noted from oral tradition and those published in print In doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears The book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first English folksong revival It discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the English west country Reverend Sabine Baring Gould Frank Kidson who greatly increased the known corpus of Yorkshire

song and Lucy Broadwood who collected mainly in the counties of Sussex and Surrey and with Kidson and others was instrumental in founding the Folk Song Society in the late 1890s The book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion Alan Day, Marilyn Mullay, Priscilla Schlicke, Joan M. Harvey, 1993 **Notes and Queries** ,1892 Man ,1925

Enjoying the Tune of Expression: An Mental Symphony within **Dictionary Of Gypsy Life And Lore**

In some sort of eaten by monitors and the ceaseless chatter of instantaneous conversation, the melodic elegance and psychological symphony produced by the published term usually diminish in to the background, eclipsed by the persistent noise and distractions that permeate our lives. However, situated within the pages of **Dictionary Of Gypsy Life And Lore** a wonderful fictional prize filled with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, this charming masterpiece conducts readers on a mental trip, skillfully unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths with this moving assessment, we can discover the book is key harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
