Dictionary Of Non Christian Religions:

A Dictionary of Non-Christian Religions Geoffrey Parrinder, 1971 A Dictionary of Non-Christian Religions Edward Geoffrey Parrinder, Geoffrey Parrinder, 1973 Hinduism Buddhism and Islam are stressed **Dictionary of Non-Christian Religions** , Dictionary of Non-Christian Religions Edward Geoffrey Parrinder, Geoffrey Parrinder, 1981 **Recent Reference Books in Religion** William M. Johnston, 2014-01-27 Recent Reference Books in Religion provides incisive summaries and evaluations of more than 350 contemporary reference works on religious traditions ancient and modern that have been published in English French and German For maximum usefulness to readers Professor Johnston has broadly defined religion to include not just the world religion of Christianity Judaism Islam Hinduism and Buddhism but also such alternative approaches as mythology folklore and the philosophy of ethics Each entry analyzing a particular work includes full bibliographic details as well as commentary outstanding articles and contributors are highlighted strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths complement the weaknesses of others An indispensable guide in any religious studies collection Recent Reference Books in Religion 2nd Edition includes works published through the end of 1997 It also includes a Glossary that describes types and functions of reference books and five indexes Titles Authors Topics Persons and Places **The Importance of Non-Christian Religions in the Philosophy of Pierre Bayle** Marta García-Alonso, John Christian Laursen, 2025-01-22 This book offers a fresh perspective on early modern philosophy by highlighting Pierre Bayle's engagement with non-Christian sources If our major political ethical and epistemic doctrines were solely rooted in Christian genealogies it would seem necessary to include Christianity in the European Constitution However this book reveals a different story The anthropological insights gained from encounters with other lands not only enriched the ethical and political discussions of philosophers historians and literati but also paralleled the incorporation of empirical data from these regions into fields like medicine botany or navigation These accounts became the building blocks for ethical and political thought a wellspring of new ideas thereby making the understanding of other cultures and religions pivotal in reflecting upon the specificities of Europe Pierre Bayle's work exemplifies this transformative influence A Dictionary of Religion and Ethics Shailer Mathews, 2015-06-05 A Dictionary of Religion and Ethics is designed to be the ultimate reference book for religious students and scholars edited by Shailer Mathews and Gerald Smith From Ab Ninth Of to Zwingli Huldreich this dictionary contains thousands of terms of importance in religion and ethics While Biblical terms seem to make up the largest component of this reference guide Christian words are by no means the sole focus of the dictionary What the editors refer to as important terms used in primitive and foreign religions are also included in this collection While the words of non-Christian religions are not as prevalent as Christian words in A Dictionary of Religion and Ethics the world's religions are still mostly well represented A Dictionary of Religion and Ethics is a valuable tool for anybody engaged in religious studies This

book makes the perfect companion piece for the study of any religious text The definitions are clear well written and serve to expand the knowledge of the reader This dictionary is highly recommended for all students and scholars of religion as well as those interested in having a better understanding of the meaning of religious terms from various religions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
