Diana Su Lelba:

Augustus The Strong Tim Blanning, 2024-10-03 From the acclaimed author of *The Pursuit of Glory* and *Frederick the Great* a riotous biography of the charismatic ruler of 18th century Poland and Saxony and his catastrophic reign Winner of the Elizabeth Longford Prize for Historical Biography 2025 It s been a superb year for history but Augustus the Strong ranks up there with the very very best I cant recommend it strongly enough Simon Sebag Montefiore The wonderful story of one of the worst monarchs in European history told with enormous wit and scholarship by a supremely talented historian If you have the slightest interest in Germans Poles porcelain jewels the Enlightenment military disasters or the pleasures of fox tossing then this is the book for you Dominic Sandbrook Augustus is one of the great what ifs of the 18th century He could have turned the accident of ruling two major realms into the basis for a powerful European state a bulwark against the Russians and a block on Prussian expansion Alas there was no opportunity Augustus did not waste and no decision he did not get wrong By the time of his death Poland was fatally damaged and would subsequently disappear as an independent state until the 20th century Tim Blanning s wonderfully entertaining and original new book is a study in failed statecraft showing how a ruler can shape history as much by incompetence as brilliance Augustus s posthumous sobriquet The Strong referred not to any political accomplishment but to his legendary physical strength and sexual athleticism Yet he was also one of the great creative artists of the age combining driving energy exquisite taste and apparently boundless resources to master mind the creation of peerless Dresden the baroque jewel of jewels Augustus the Strong brilliantly evokes this time of opulence and excess decadence and folly
