Diane A Victorian:

Diane Macdonald Hastings,1974 **The Improbable Victoria Woodhull** Eden Collinsworth,2025-09-02 From the acclaimed author of *What the Ermine Saw and Behaving Badly* a portrait of Victoria Woodhull a celebrated and maligned 19th century businesswoman and activist and a leader in the fight for women s suffrage and labor reforms In 1894 a remarkably self possessed American woman with no formal education to speak of stood before a British court seeking damages for libel from the trustees of the British Museum It was yet another stop along the unpredictable route that was Victoria Woodhull s life Born dirt poor in an obscure Ohio settlement Woodhull was the daughter of an illiterate mother entranced by the fad of Mesmerism a therapeutic pseudoscience and a swindler father whose cons exploited his two daughters It was through her mother though that Woodhull familiarized herself with the supernatural realm earning a degree of fame as a clairvoyant and her first taste of financial success Woodhull s life would continue to turn on its axis and then turn again Despite a deeply troubled first marriage at the age of fourteen countless attempts by the press to discredit her and a wrongful jail sentence Woodhull thrived through sheer determination and the strength of her bond with her sister Tennie She co founded a successful stock brokerage on Wall Street launched a newspaper and became the first woman to run for president Hers was a rags to riches story that saw her cross paths with Karl Marx Henry Ward Beecher and Frederick Douglass In an era when women s rights were circumscribed and the idea of leaving a marriage was taboo she broke the rules to carve out a path of her own Vividly written and exhaustively researched Collinsworth tells the story of a woman truly ahead of her time a radical visionary who made defying mores a habit and brought to the fore societal and political issues still being addressed today Neither a saint nor a villain Woodhull emerges as an iconic complex woman an entrepreneur lover of freedom and a fiercely loyal family member whose political activism and suffragist legacy will cement her in history

Women Past and Present Maria Zina Gonçalves de Abreu,2014-06-02 In Western societies many traditional feminist claims have already been fulfilled both in law and in official discourse Indeed legislative steps have already been taken towards securing civil and political rights and equal opportunities for women This of course is not the case in many other regions of the world as some of the chapters in this book clearly testify Yet notwithstanding the gains achieved in Western societies residual forms of resistance and prejudice still persist in discourses categories and discriminative practices in this so called post feminist era Furthermore new manifestations of asymmetries in gender relations and new ways of thinking and experiencing subjectivity are currently emerging as a result of growing globalisation economic crises migration patterns female sex and labour trafficking trans nationalism and new technologies not to mention the beauty and body sculpting industries **The History of British Women's Writing, 1830-1880** Lucy Hartley,2018-09-22 This volume charts the rise of professional women writers across diverse fields of intellectual enquiry and through different modes of writing in the period immediately before and during the reign of Queen Victoria It demonstrates how between 1830 and 1880 the woman

writer became an agent of cultural formation and contestation appealing to and enabling the growth of female readership while issuing a challenge to the authority of male writers and critics Of especial importance were changing definitions of marriage family and nation of class and of morality as well as new conceptions of sexuality and gender and of sympathy and sensation The result is a richly textured account of a radical and complex process of feminization whereby formal innovations in the different modes of writing by women became central to the aesthetic social and political formation of British culture and society in the nineteenth century

Unsettled Accounts Simon J. James, 2003-12-08 Simon J James examines how Gissing's work reveals an unhappy accommodation with money's underwriting of human existence and culture and how daily life in all its forms moral intellectual familial and erotic is transcended or made irrelevant by its commodification
