Diary Of The Kirk Years:

Diary of the Kirk Years Margaret Hayward, 1981

New Zealand and the Vietnam War Roberto Rabel, 2013-11-01

Starting with the first Indochina War in the 1950s this historical analysis covers the story of New Zealand's relations with Vietnam up to the end of the Vietnam War in the 1970s Exploring the diplomatic history of the engagement which is not well known or understood and showing that New Zealand officials and politicians in fact entered the war with extreme reluctance this describes how the dispatch of troops to Vietnam divided the country enraged a generation and forced the government to publicly defend its policy Readers quickly discover that the fallout from the Vietnam conflict still affects New Zealand's position today from its well known antinuclear stance to its position over the recent Iraq conflict

His Way Barry Gustafson, 2000 Robert Muldoon was Prime Minister of New Zealand for eight and a half years 1975-1984 and Minister of Finance for fifteen years 1967-72 and 1975-84 during one of the most difficult periods in the country's history He was the dominant figure in New Zealand's political life over the last half century and one of its most controversial and divisive politicians This major authorised biography has occupied Professor Gustafson for ten years it has been extensively researched and long awaited From the opening chapters with their revealing account of Muldoon's childhood His Way is gripping reading and will be of wide interest The chapters on the calling of the 1984 election and on the currency crisis immediately after the election for example break new ground Gustafson's view of Muldoon is fair and tolerant without either anger or sentimentality It sees him as a champion of ordinary people a skilled politician determined to preserve the world he had inherited and an autocratic leader whose vision over time became anachronistic and inflexible His Way is also and inevitably a picture of the changing political landscape from the 1940s to the 1980s turbulent times very different from the years of depression and war in which Muldoon grew up and which so powerfully shaped his values and perspectives The book is based on many hours of conversation with Muldoon himself and on interviews with political colleagues civil servants family and friends it is rich with telling detail and revealing anecdote Gustafson's masterly biography provides for the first time a detached and detailed assessment of an extraordinary political figure

Spy Kit Bennetts, 2014-10-31 The inside story of the Bill Sutch spy scandal by the agent who potted him In 1975 Kit Bennetts was one of the youngest officers ever to serve in the New Zealand Security Intelligence Service Fresh out of training on routine surveillance duty one night he followed a big Mercedes from the Soviet Embassy in Wellington and witnessed a meeting between a KGB officer and an unknown man That man turned out to be Dr William Sutch one of New Zealand's most eminent citizens Five months later after more surveillance and a major sting Sutch was arrested and charged with passing information to the Russians A spectacular trial ensued New Zealand's only espionage trial ever at which Sutch was acquitted only to die seven months later Thirty years on and with the recent release of the Mitrokhin archives fascination with the case and speculation about whether Sutch was indeed a KGB mole endures Spy marks the first time an SIS officer has ever gone public Fast paced humorous it details how the SIS got

North Anna River Gordon C. Rhea,2005-09-01 With To the North Anna River the third book in his outstanding five book
 series Gordon C Rhea continues his spectacular narrative of the initial campaign between Ulysses S Grant and Robert E Lee
 in the spring of 1864 May 13 through 25 a phase oddly ignored by historians was critical in the clash between the Army of
 the Potomac and the Army of Northern Virginia During those thirteen days an interlude bracketed by horrific battles that
 riveted the public s attention a game of guile and endurance between Grant and Lee escalated to a suspenseful draw on
 Virginia s North Anna River From the bloodstained fields of the Mule Shoe to the North Anna River with Meadow Bridge
 Myers Hill Harris Farm Jericho Mills Ox Ford and Doswell Farm in between grueling night marches desperate attacks and
 thundering cavalry charges became the norm for both Grant s and Lee s men But the real story of May 13 25 lay in the two
 generals efforts to outfox each other and Rhea charts their every step and misstep Realizing that his bludgeoning tactics at
 the Bloody Angle were ineffective Grant resorted to a fast paced assault on Lee s vulnerable points Lee outnumbered two to
 one abandoned the offensive and concentrated on anticipating Grant s maneuvers and shifting quickly enough to repel them
 It was an amazingly equal match of wits that produced a gripping high stakes bout of warfare a test ultimately of
 improvisation for Lee and of perseverance for Grant *The Journal of Thomas Cuninghame of Campvere, 1640-1654* Thomas
