The complete work has been re-designed via professional layout formatting and type setting tools to recreate the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition, as opposed to other scanned printed Optical Character Recognition (OCR) reproductions. 2. preserved from the original work to maintain the authenticity and construct relevant to the work The Diary of a Hunter from the Punjab to the Karakorum Mountains Irby Augustus Henry, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Diary of a Pig Hunter** Reg Carr, 1986
