The Diary of a Rapist Evan S. Connell, 2016-05-10 This unnerving work is a contemplation of the middle class existence in a changing world narrated by an unstable man held hostage by his deteriorating mental state The story begins with the unhappy marriage of junior clerk Earl Summerfield to the much older Bianca Feeling victimized by his cold wife and mocking superiors at work Earl decides to keep a diary a chronicle of his apparently crumbling marital relations the paranoia and abuses he is seemingly forced to tolerate at work and the world around him going to pieces in 1960 s San Francisco What he sees what he says what he wants to say everything swarms his head and consciousness inciting and fueling fantasies of love ambition and avenging the violent crimes with which he was become obsessed His angry and unstable mind alternates between feelings of apprehension and disgust and exploring his own violent sexual fantasies and Earl takes action first by breaking into other peoples houses and then fixating on various women before settling with utmost and troubling certainty on the local beauty queen Mara St John s

**You Will Never Be Forgotten** Mary South, 2020-03-10 In this provocative biting funny debut collection people attempt to use technology to escape their uncontrollable feelings of grief or rage or despair only to reveal their most flawed and human selves An architect draws questionable inspiration from her daughter s birth defect A content moderator for the world s biggest search engine who spends her days culling videos of beheadings and suicides turns from stalking her rapist online to following him in real life At a camp for recovering internet trolls a sensitive misfit goes missing A wounded mother raises the second incarnation of her child In *You Will Never Be Forgotten* Mary South explores how technology can both collapse our relationships from within and provide opportunities for genuine connection Formally inventive darkly absurdist savagely critical of the increasingly fraught cultural climates we inhabit these ten stories also find hope in fleeting interactions and moments of tenderness They reveal our grotesque selfishness and our intense need for love and acceptance and the psychic pain that either shuts us off or
