Payne, 2010-08-13 Duncan is in the throes of a mid life crisis and searching for his own identity His problems seem no different than other men facing the same issues but as he struggles through a divorce and the challenges of co-parenting his children Duncan soon realizes that he feels complete inside only when he begins to secretly explore a world of torture and death a world that only he controls Suddenly Duncan's life is no longer normal at all As Duncan deals with his newfound guilty pleasure of destruction and wickedness his diary entries reflect a roller coaster psychological journey Duncan grapples with the ramifications of what he is becoming but at the same time graphically describes the deaths of

several of his victims Clearly a man caught between his morals and an evil calling Duncan leads a seemingly typical life during the day but in the dark of night becomes a monster Only one man suspects what Duncan is capable of his best friend Sudhir a detective in the Palo Alto Police Department Despite Duncan s cries for help penned on the pages of his diary he becomes a master at hiding his transformation from the guy next door to a masterful serial killer **Diary of a Serial Killer 2 - Reece's Revenge** B.
