Diary Of H L Mencken:

Diary of H. L. Mencken H.L. Mencken, 2012-02-01 H L Mencken's diary was at his own request kept sealed in the vaults of Baltimore's Enoch Pratt Library for a quarter of a century after his death. The diary covers the years 1930-1948 and provides a vivid unvarnished, sometimes shocking picture of Mencken himself, his world, and his friends and antagonists, from Theodore Dreiser, F. Scott Fitzgerald, Sinclair Lewis, and William Faulkner to Franklin D. Roosevelt, for whom Mencken nourished a hatred that resulted in spectacular and celebrated feats of invective. From the more than 2,000 pages of typescript that have now come to light, the Mencken scholar Charles A. Fecher has made a generous selection of entries carefully chosen to preserve the whole range, color, and impact of the diary. Here, full scale, is Mencken, the unique observer and disturber of American society. And here too is Mencken, the human being of wildly contradictory impulses: the skeptic who was prey to small superstitions, the dare-all warrior who was a hopeless hypochondriac, the loving husband and generous friend who was, alas, a bigot. Mencken emerges from these pages unretouched, in all the often outrageous, gadfly vitality that made him, at his brilliant best, so important to the intellectual fabric of American life. *The Diary of H. L. Mencken* Charles A. Fecher, 1991-03-01 *Mencken* Marion Elizabeth Rodgers, 2007 Here is the definitive biography of Mencken, the most illuminating book ever published about this giant of American letters. We see the prominent role he played in the Scopes Monkey Trial, his long crusade against Prohibition, his fierce battles against press censorship, and his constant exposure of pious frauds and empty uplift. The champion of our tongue in *The American Language*, Mencken also played a pivotal role in defining the shape of American letters through *The Smart Set* and *The American Mercury* magazines that introduced such writers as James Joyce, F. Scott Fitzgerald, and Langston Hughes. *Memoirs of an Obscure Professor and Other Essays* Paul F. Boller, 1992 During the heyday of McCarthyism, the *Chicago Tribune* offended by something he had written contemptuously dismissed Paul Boller as an obscure professor; he was then teaching at Southern Methodist University in Dallas, Texas. Some forty-five years later, reflecting on the incident, Boller wrote an essay on what it was like to be an obscure professor at one of America's less publicized campuses in a conservative community during the late 1950s and early 1960s. That essay became the foundation for this collection of autobiographical selections reflecting the interests and pursuits of a man who gained national recognition both inside the academic community and beyond, but still values his obscurity. Whether it is a study of the much maligned Calvin Coolidge or an account of his Navy service as a translator of Japanese during World War II, Boller brings to his writing a fresh approach and a lively and wry wit. *Frontier's End* Robert Gish, 1988-01-01 The western frontier was officially pronounced closed in 1890; the year Harvey Fergusson was born in Albuquerque. He spent his life reopening it in a series of novels stretching from the classic *Wolf Song* to the belatedly acclaimed *Grant of Kingdom* and *The Conquest of Don Pedro*. In this first full biography and critical study, Robert F. Gish sees Fergusson as a modern frontiersman in love with the outdoors, women, and writing. The scion of a New Mexico family prominent in business and politics, Fergusson

moved restlessly from one new frontier to another always seeking to recreate in his life and work the adventure and freedom enjoyed by his ancestors After a strenuous open air life by the Rio Grande he went east to raise a ruckus as a journalist and then to Hollywood as a screenwriter all the while testing his sexual mettle Finally freelance writing was the only frontier available to one of his imaginative energy Fergusson's early novel *Wolf Song* is still considered one of the best ever written about the mountain man Gish shows the writer embracing the gloriously masculine and atavistic role of a lone rider even as he scorned the worship of the primitive Fergusson struck up a friendship with H L Mencken and Theodore Dreiser who influenced his literary style and played a part in the development of Taos and Santa Fe as meccas for artists and writers Based on extensive research including Fergusson's diaries and correspondence *Frontier's End* goes a long way toward reconciling the regional with the mainstream in American literature in the person of a serious novelist whose importance is finally being recognized The Mississippi Quarterly ,1993 **American Journalism** ,1996 The Bookman's Journal and Print Collector Wilfred Partington,1919 The Bookseller and the Stationery Trades' Journal ,1927 **The Bookman's Journal with which is Incorporated The Print Collector** ,1919 **Bookman's Journal with which is Incorporated the Print Collector** ,1919 V 1 3 include Bibliographies of modern authors by Henry Danielson **The Journal of Intercultural Studies** ,2007 **The New York Times Book Review** ,1990 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The Independent** Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1928 The Nation ,1920 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
