## Diary Of Hugh Gaitskell:

*The Diary of Hugh Gaitskell, 1945-1956* Hugh Gaitskell, 1983      **Jennie Lee** Patricia Hollis, 2014-09-18 First published in 1997 Patricia Hollis's biography of the pioneering Labour MP Jennie Lee 1904-1988 won both the Wolfson History Prize and the Orwell Prize. It is the definitive study of this remarkable woman, her stormy political career and her marriage to Aneurin Bevan. In a new preface to this edition Hollis adds insights into Lee's life which emerged subsequent to first publication and also draws on her own experience as a Labour Minister from 1997-2005. Lee's lives and loves, passions and drives are beautifully and frankly explored in Patricia Hollis's compelling book. THES: Superbly researched, engrossingly written, scrupulously honest. Gerald Kaufman, Daily Telegraph. What makes it particularly fascinating is the author's own first-hand knowledge of politics and of the Labour movement. TLS: One of the best political biographies of recent years. Alan Watkins, New Statesman.      *British Trade Unions and Industrial Politics: The post-war compromise, 1945-64* Alan Campbell, Nina Fishman, John McIlroy, 1999 The first of two volumes focusing on the politics of British trade unionism since World War II, considering not only the movement's relations with the state but also factionalism, the dynamics of industrial struggle and the allegiances of union activists. Historians, scholars of politics and industrial relations and others present 11 studies, many from a September 1997 conference in Warwick, augmented with commissioned essays, include overviews, a survey and case studies. The second volume is subtitled *The High Tide of Trade Unionism 1940-1979*. Annotation copyrighted by Book News, Inc., Portland, OR.      **The Tortoise and the Hares** Giles Radice, 2008      *An Industrialist in the Treasury* Edwin Plowden, Edwin Noel Plowden, Baron Plowden, 1989      *The Progressive Dilemma* David Marquand, 1992      *Dictionary of Labour Biography* Greg Rosen, 2001 A unique source of reference, the Dictionary of Labour Biography brings together biographies of more than 300 individuals who have made significant contributions to the history of the Labour Party or the development of socialism in Britain.      The People's Peace Kenneth O. Morgan, 1990 BL By a leading historian of the period. BL Draws on sources recently released under the Thirty Year Rule. *The People's Peace* is the first comprehensive study by a professional historian of British history from 1945 to the present day. It examines the transformation of post-war Britain from the planning enthusiasm of 1945 to the ethic of Thatcherism. Its themes include the troubles of the British economy, public criticism of the legitimacy of the state and its instruments of authority, the co-existence of growing personal prosperity with widespread social inequality and the debates aroused by the process of decolonization and by Britain's relationship to the Commonwealth, the transatlantic world and Europe. Changes in cultural life from the puritanical austerity of the 1940s through the permissiveness of the 1960s to the tensions of recent years are also charted. Kenneth Morgan examines the paradoxes of life in the modern United Kingdom: the growing affluence and internal peace of mainland Britain with its underside of disillusion and discontent. Using a wide variety of sources, including the records of political parties and documents recently released under the Thirty Years Rule, Kenneth Morgan brings the story right up to date and draws comparisons with the post-war

history of other nations This penetrating assessment by a leading historian of twentieth century Britain will prove invaluable to anyone interested in the development of modern Britain     The Rise of Socialism in Britain, C. 1881-1951 Keith Laybourn,1997 This book deals with the years 1881 1951 when socialism moved from being a small movement to a powerful organisation At this time socialism became moderate and parliamentary in form discarding Marxism and ethical socialism en route     *Research Guide to European Historical Biography, 1450-present: Coo-Khr* James A.
