Diary Of Pelly D:

The Diary of Pelly D L.J. Adlington,2010-09-02 Young building worker Toni V finds a diary buried in a water can in the rubble of a construction site He knows he should just hand it in to the Supervisor that s the rule But curiosity gets the better of him and he starts reading At first the diarist Pelly D seems like any ordinary girl writing about clothes parties boys But underneath the light sassy often sarcastic narrative Toni V begins to sense that something very different sinister and scary is unfolding Set far in the future and on a distant planet Pelly D s diary bears witness through the eyes of a young girl to the terrifying consequences of genetic classification *Diary of Pelly-d* Lj Adlington,2005-11 Watchers at the Shrine Jean Ure,2014-07-03 50 years on from Come Lucky April April and David have confronted the orthodoxy they believe girls and boys should be able to grow up together They determine to send their son away to spare him the humiliation of castration Hal spends several years there waiting for the ban to be lifted He befriends the daughters of the family he lives with but when he challenges his father he is sent from the house and discovers a new life in the lawless part of the settlement He realises he needs to help the girls he can to escape and return to Croydon How can he save them Life back in Croydon things are changing too People are dying Beliefs are being challenged Are things any better than they were 150 years ago Is there hope for the future *Diary of Pelly D* NJR L. this critical examination of 400 texts sheds light on changing attitudes toward children and teenagers toward science education and toward the authors expectations and sociological views of their audience **Tantalizing Tidbits for Teens**
