## **Diaspora Story:**

*The Diaspora Story* Joan Comay, 1999      **The Diaspora Story** Jean Comay, 1981      *Becoming Diaspora Jews* Karel van der Toorn, 2019-09-24 Based on a previously unexplored source this book transforms the way we think about the formation of Jewish identity      *The Microfoundations of Diaspora Politics* Alexandra Délano Alonso, Harris Mylonas, 2021-09-21 The *Microfoundations of Diaspora Politics* examines the various actors within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the *Journal of Ethnic and Migration Studies*      **The Yahwist** John Van Seters, 2013-10-21 This book on the Yahwist comes at the end of a long career of research on the Pentateuch in general and the Yahwist in particular Van Seters's interest in the Yahwist was stimulated by the 1964 presidential address of the Society of Biblical Literature given by Professor Fredrick Winnett *Rethinking the Foundations* which focused on the Yahwist in Genesis This interest followed a path of work on issues surrounding the Yahwist that culminated in three volumes *Prologue to History The Yahwist as Historian in Genesis* 1992 *The Life of Moses The Yahwist as Historian in Exodus Numbers* 1994 and *A Law Book for the Diaspora Revision in the Study of the Covenant Code* 2003 Over the last few years it has become clear to Van Seters that readers of the three volumes on the Yahwist which total more than 1 000 pages easily lose sight of the Yahwist's work as a whole and the way in which it provides a historical prologue and framework for D and the DtrH In this book Van Seters seeks to provide a summary sketch of the J history and to make clear how the Priestly corpus has been composed as a supplement to the Yahwist with a radically different form and point of view that has obscured the Yahwist's historical narrative and theological perspective Part one lays out in simple terms the basic form structure and theological perspective of the Yahwist's history where it has been interrupted by the inclusions of P and how it is integrated into DtrH The essays in part two are intended to bring the scholarly discussion of Van Seters's earlier books on the Yahwist more up to date and their order corresponds roughly to the order of the narrative in the first part of the

book Some of these articles have been published previously but others are new and quite recent including The Yahwist as Historian **Esther in Diaspora** Tsauryi Kudakwashe Mapfeka,2019-06-17 In Esther in Diaspora Tsauryi Kudakwashe Mapfeka presents a new approach to the book of Esther in the Hebrew Bible He argues that whereas previous interpretations have emphasised an association with the Jewish festival of Purim a theory nuanced concept of diaspora offers the key for reading Esther Alongside the relatively new approach of Diaspora Studies the author makes use of the more traditional analogical reasoning seeing parallels between the community behind Esther and the Zimbabwean diaspora community in the United Kingdom of which he is a member The two fold methodological application results in an innovative and stimulating reading of the book Overall the book reflects a deep awareness not only of issues surrounding Esther but of the broader fields of the study of the Bible and of the ancient Near East

**Our Church's Story** Alfred Harold Mumford,1911 Intended for young people for Moravians and more It deals with a history of early Protestantism Egypt, Israel, and the Ancient Mediterranean World Gary N. Return to Casablanca André Levy,2015-11-04 Moroccan born Israeli anthropologist Andre Levy here presents a deeply nuanced and highly readable study of the relations between Moroccan Jews and Muslims past and present Levy s return to his birthplace in Casablanca proceeds through several interrelated settings There is the first encounter of return fraught with fear and uncertainty when as an Israeli arriving with papers granted by a third nation to come back to a country that has both repelled him and encouraged his permanent return he finds his worries multiplied by the events of the Gulf War As if he were behind enemy lines he approaches everything with understandable trepidation only to discover directly what he had long known intellectually that Morocco continues to relate to its Jewish population with all the features of its historic ambivalence and ambiguity on full display As he moves through the different contexts and domains of his return he addresses these factors in ways both personal and analytic As the book progresses the reader is introduced to a variety of other

contexts of the Moroccan Jewish experience From the card players and beach etiquette to the shared use of public baths and the visits by Muslims to Jewish ritual events the reader catches the sense of old patterns now approached with great wariness by a population that is much diminished both in size and in the daily experience of the dominant Muslim population Moroccan Voyage is an exceptional read and should be ideal for use in a variety of courses in anthropology Jewish studies and Middle East studies Life in Diaspora, a Woman's Story Juliana Duru,2018-10-21 Life in Diaspora A Woman s Story narrates a woman experiences after she migrated from her native country Nigeria to live her life in the USA The stories in this book expose and highlight the struggles and challenges faced not only by her but by most immigrants in foreign lands in a series of experiences that most immigrants in Diaspora can relate to **The Diaspora Story** ,1999 **Character and Ideology in the Book of Esther** Michael V. Johanna Fuchs, 2017-09-26 Seminar paper from the year 2012 in the subject English Language and Literature Studies  
Literature grade 2.3 University of Göttingen language English abstract Globalization is one of those terms which is used quite inflationary in these times. Regardless which area one is looking at it doesn't matter if speaking for instance of economy, communication or education, it seems like every sector of our post-modern world is shaped by globalization. But how does this process influence our lives as an individual human being as an identity? In his short story 'Lend me your Light' which is part of the short story cycle 'Tales of Firozsha Baag' Rohinton Mistry describes the life of a young man who emigrates from India to Canada. Even before arriving at his new home, the protagonist has a bad feeling concerning his future. Kersi, the main character, member of the Parsi community, grew up in an apartment building in Bombay, India, went to an English school, listened to 'My Fair Lady' in his youth and emigrated to Canada. In order to bring light to the question what causes Kersi to have problems with his eyesight and to examine if he really resembles Tiresias, the following term paper tries to analyze the protagonist's identity.
