Dictionary of Christian Churches and Sects from the Earliest Ages of Christianity John Buxton Marsden, 1854

Dictionary of Christian Denominations Peter D. Day, 2003-07 Contrary to Jesus wish that his followers may all be one Christianity has become over time ever more schismatic This concise one volume dictionary provides information on over a thousand significant denominations and movements ranging from the mainstream historical churches for example Roman Catholic and Orthodox to heretical sects that flourished briefly in the third or fourth centuries to groups that sprang up around charismatic leaders in the nineteenth and twentieth centuries Alternatives names are given at the end of entries and are cross referenced in an Appendix Such groups include the delightfully named Body felt Salvation Church in the Torres Strait Islands with 300 members and the Old Catholic Orthodox Church founded in London by and apparently for the Most Reverend James Bartholomew Banks known to his friends as Piggy on account of the happy conjunction of his vast inherited wealth and his surname The author approaches what might in other hands be a dull catalogue with considerable zest and obvious enjoyment and the result is a mine of good stories and useful information *A Dictionary of All Religions and Religious Denominations, Jewish, Heathen, Mahometan and Christian, Ancient and Modern* Hannah Adams, 1817

desired an initiation were obliged previously to exhibit satisfactory proofs of their fidelity and patience by passing through various trials and ceremonies of the most disagreeable kind The secret of these mysteries was kept in the strictest manner as the initiated could not reveal any thing that passed in them without exposing their lives to the most imminent danger About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Dictionary of All Religions and Religious Denominations, Jewish, Heathen, Mahometan and Christian, Ancient and Modern Hannah Adams, 2017-10-26 Excerpt from A Dictionary of All Religions and Religious Denominations Jewish Heathen Mahometan and Christian Ancient and Modern With an Appendix Just before Christ was born the Roman empire not only rose to its greatest height but was also settled in peace Augustus Caesar had been for many years establishing the state of the Roman empire and subduing his enemies till the very year that Christ was born then all his enemies being reduced to subjection his dominion over the world appeared to be settled in its greatest glory This remarkable peace after so many ages of tumult and war was a fit prelude to the ushering of the glorious Prince of Peace into the world The tranquillity which then reigned was necessary to enable the ministers of Christ to execute with success their sublime commission to the human race In the situation into which the providence of God had brought the world the gospel in a few years reached those remote corners of the earth into which it could not otherwise have penetrated for many ages About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Dictionary of Christian Churches and Sects from the Earliest Ages of Christianity (Classic Reprint) John Buxton Marsden, 2017-07-11 Excerpt from Dictionary of Christian Churches and Sects From the Earliest Ages of Christianity Sinian Church The latter was received by the Abyssinian people with derision The authority which the pope claimed of pardoning their sins especially became the subject of their scorn Another rebellion quenched at last by a bloody victory ensued The emperor's troops slew eight thousand of his peasantry who willingly forfeited their lives rather than abandon their religion But still the steadfast independent Spirit of Abyssinia was not vanquished The empress herself addressed a passionate remonstrance to her Infatuated lord imploring him as he feared God and valued his own reputation to

forbear this merciless destruction of his subjects The Alexandrians re monstrated Yousee Sir how many dead bodies lie before you Are they Mahomedans and heathens N o sir they are Chris tians to a man your own subjects men endeared to us by the strongest ties of relationship and blood Sire the very heathens and Mahomedans blush at our cruelties and brand us with the name of murderers and apostates F orbear we entreat you to persevere in a contest which must terminate in the overthrow of your religion and yourself In Short the emperor was subdued by the firmness of his people On the 20th of June 1632 the Roman patriarch accompanied by the Jesuits waited upon him and obtained an audience He made a passionate appeal to the feelings of the sovereign and conjured him in conclusion either to support the Church or to behead himself and his comrades on the spot He made answer that he had done everything in his power for the catholic faith that he had now scarcely left to him either subjects or a kingdom and that he could do no more A proclamation was issued permitting the Abyssinians to return to the religion of their fathers It is impossible to describe the raptures with which it was received everywhere The old Alexandrian party immediately followed up their triumph they obtained another proclamation in which every subject of the empire was commanded to return to the ancient faith The Jesuit mission was at an end and with it the hopes and prospects of the Church of Rome The Roman patriarch abandoned Abyssinia in 1633 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
