Dictionary Of Hypnosis:

Dictionary of Hypnosis Ralph B. Winn, 2015-09-08 Seven editions of Dictionary of Hypnosis were published between 1965 and 2013 in English and held by 183 WorldCat member libraries worldwide The first of its kind this book seeks to enable intelligent persons to read practically anything in the field of hypnosis It also provides them with a substantial amount of reliable information concerning the history of hypnosis and its various contemporary uses and applications in medicine psychology and other sciences Moreover it is a reference work of enduring value Dictionary of Hypnosis Ralph Bubrich Dictionary of Hypnosis, by Ralph B. Winn Ralph Bubrich Winn, **Hypnosis** Steve Leap, 2013-11-30 Winn, 1965-01-01 The A to Z of hypnotic words and phrases By Steve Leap This dictionary style book is the ultimate companion for the aspiring hypnotist as well as being an invaluable reference tool for those more experienced therapists and performers too There is a lot to take in when you are learning any craft And when you need to remind yourself of that small piece of information that s on the tip of your tongue it s no good having to trawl through your course notes or other books you may have for hours on end You need the answer right now and this book will be there to rescue you Can t remember the correct terminology for a phenomena don t worry it s here at your fingertips always Most hypnotist like me have extensive libraries on hypnosis And trying to find an article or phrase is a daunting prospect when you may have t sift through 30 or 40 books Now you won t have to you can simply use Hypnosis the A to Z Included are every useful word and phrases you need in the world of the professional hypnotist Starting out is exiting and fun imagine the difference you project to your potential subjects when you use correct terminology every step of the way Not only do you have full descriptions of the everyday hypnotists words and phrases You also benefit from a huge array of examples and practical uses too Using this fantastic book couldn t be easier Following an alphabetical sequence so flick through find the word you d like to reference and presto Everything from the AARONS depth scale right down to the popular wand waving ZAP Use it as part of your learning reading from cover to cover Use it to remind yourself of those elusive new terms Find any phrase or word easily and quickly In fact use it how you will but once you have it you WILL use it below is a small sample of just one section of this fantastic book for you to get a feel of just what is in it and how beneficial it is ELMAN INDUCTION A very effective rapid hypnosis induction created by Dave Elman It is considered the best guaranteed induction by many hypnotists since it is completely permissive and relies upon he subject to pace themselves into trance with the help of the hypnotist Created by Dave Elman the renowned hypnotist author and radio show host Below is the Elman induction word for word However it was originally used in 1963 that s fifty years ago it is still generally accepted that it is a basis for a good induction but needs updating due to the wording being outdated but also there is quite a lot of questioning of the subject and this may have a tendency to unravel the trance slightly Especially if there is any misunderstanding So first will be the induction in pure form and next my own modified version The Elman induction Will you just take a good long deep breath and close your eyes now relax the muscles around your eyes to the point where

those eye muscles won t work and when you re sure they won t work test them and make sure they won t work And so on Hope you enjoyed this sample of part of the E s HAPPY READING And of course HAPPY ZAPPING Hypnotism Anita Evangelista, 1991-03-25 Evangelista presents a portrait of the state of modern hypnotism laid out in alphabetical order Each entry includes references Following the entries are a series of appendices that provide reference to techniques of hypnotic induction a brief list of individuals who have offered significant contributions to the field and a selection of terms specific to hypnotism A bit thin intellectually as are the author's credentials Annotation copyright Book News Inc Portland Or New International Dictionary, 1920 Webster's New International Dictionary of the English Language Noah Webster, 1913 Hypnosis A to Z Hypnotic Words & Phrases Steve Leap, 2021-12-17 HYPNOSIS The A to Z of hypnotic words and phrases By Steve Leap This dictionary style book is the ultimate companion for the aspiring hypnotist as well as being an invaluable reference tool for those more experienced therapists and performers too There is a lot to take in when you are learning any craft And when you need to remind yourself of that small piece of information that s on the tip of your tongue it s no good having to trawl through your course notes or other books you may have for hours on end You need the answer right now and this book will be there to rescue you Can't remember the correct terminology for a phenomena don t worry it s here at your fingertips always Most hypnotists like me have extensive libraries on hypnosis And trying to find an article or phrase is a daunting prospect when you may have to sift through 30 or 40 books Now you won t have to you can simply use Hypnosis the A to Z Included are every useful word and phrases you need in the world of the professional hypnotist Starting out is exciting and fun imagine the difference you project to your potential subjects when you use correct terminology every step of the way Not only do you have full descriptions of the everyday hypnotist s words and phrases You also benefit from a huge array of examples and practical uses too Using this fantastic book couldn t be easier Following an alphabetical sequence so flick through find the word you d like to reference and presto Everything from the AARON depth scale right down to the popular wand waving ZAP Use it as part of your learning reading from cover to cover Use it to remind yourself of those elusive new terms Find any phrase or word easily and quickly In fact use it how you will but once you have it you WILL use it Below is a small sample of just one section of this fantastic book for you to get a feel of just what is in it and how beneficial it is EGO Me I the core about which all psycho activity revolves ELMAN Dave Elman lived from 1900 to 1967 Multi talented musician radio host and hypnotist Created the highly effective Elman induction which is considered a guaranteed hypnotic induction due to the choices given during the induction ELMAN INDUCTION A very effective rapid hypnosis induction created by Dave Elman It is considered the best guaranteed induction by many hypnotists since it is completely permissive and relies upon the subject to pace themselves into trance with the help of the hypnotist Created by Dave Elman the renowned hypnotist author and radio show host Below is the Elman induction word for word However it was originally used in 1963 that s fifty years ago it is still generally accepted that it is a basis for a good induction

but needs updating due to the wording being outdated but also there is quite a lot of questioning of the subject and this may have a tendency to unravel the trance slightly Especially if there is any misunderstanding So first will be the induction in pure form and next my own modified version The Elman induction Will you just take a good long deep breath and close your eyes now relax the muscles around your eyes to the point where those eye muscles won t work and when you re sure they won t work test them and make sure they won t work test them get complete relaxation in those muscles around the eyes now let that feeling of relaxation go right down to your toes in a moment were going to do this again and when we do it a second time you re going to be able to relax ten times as much as you re relaxed already now open your eyes close your eyes completely relax let yourself be covered with a blanket of relaxation now the third time we do it you ll be able to double the relaxation which you have open your eyes now relax Im going to lift your hand and drop it and if you ve followed instructions up to this point that hand will be just as limp as a dishrag and will just plop into your lap let me lift it don t you lift it let it be heavy that s good but let s open and close the eyes again and double that relaxation and send it right down to your toes let that hand be as heavy as lead you ll feel it when you ve got the relaxation now you ve got it you could feel that couldn't you that's complete physical relaxation but I want to show you how you can get mental relaxation as well as physical so I m going to ask you to start counting when I tell you to from a hundred backwards each time you say a number double your relaxation and by the time you get down to ninety eight you ll be so relaxed there won t be any more numbers start with the idea of making that happen and watch it happen count out loud please 100 double your relaxation and watch the numbers start disappearing 99 watch the numbers start disappearing 98 now they ll be gone make it happen you ve got to do it i can t do it make them disappear dispel them make them vanish At this point the subject participation gets guite intense Below is a modified Elman induction complete with integrated deepener's Take a nice deep breath and hold it Hope you enjoyed this sample of part of the E s HAPPY READING And of course HAPPY ZAPPING Dictionary of Philosophy and Psychology Hypnotic Induction V. K. Kumar, Stephen R. Lankton, 2018-10-19 The age old notion of hypnotic James Mark Baldwin, 1911 induction receives a fresh look from notable scholars from Canada England Sweden and the USA in this book These scholars represent a breadth of theoretical perspectives cognitive behavioral Ericksonian psychoanalytic and trance state It is well known that a wide range of hypnotic induction protocols is used to prepare individuals to enhance their receptivity to test or clinical suggestions. However despite its popularity of use it appears that little is known about its relevancy and boundary conditions either for testing for hypnotisability or for enhancing clinical efficacy In this volume the authors reflect on issues surrounding its definitions relevancy possible components and approaches they also suggest considerations and strategies for optimizing inductions This book will be of benefit to both newcomers to the field and seasoned researchers and clinicians alike it can stimulate new thinking and research about this important but often taken for granted notion of hypnotic induction This book was originally published as a special issue of the American Journal of Clinical Hypnosis Dictionary of
