John M. Weeks, Jason de Medeiros

Dictionary Of Irish Archaeology:

A Dictionary of Irish Archaeology Laurence Flanagan, 1992 This invaluable work of reference lists all the major excavated sites and all the major finds including hoards which are important to the study of Irish archaeology Ranging in time from the Mesolithic period to the end of the Medieval era it provides students and excavators alike with an authoritative overview of their subject Ireland is particularly rich in archaeological remains Newgrange in County Meath is perhaps the most famous and best excavated passage tomb in Europe The country abounds in material both from prehistoric and historical periods not least in religious sites In addition to entries on all these Laurence Flanagan also deals with subjects as diverse as mining ordnance standing stones earthworks and hammers A Research Guide to the Ancient World John M. Weeks, Jason de Medeiros, 2014-11-25 The archaeological study of the ancient world has become increasingly popular in recent years A Research Guide to the Ancient World Print and Electronic Sources is a partially annotated bibliography The study of the ancient world is usually although not exclusively considered a branch of the humanities including archaeology art history languages literature philosophy and related cultural disciplines which consider the ancient cultures of the Mediterranean world and adjacent Egypt and southwestern Asia Chronologically the ancient world would extend from the beginning of the Bronze Age of ancient Greece ca 1000 BCE to the fall of the Western Roman Empire ca 500 CE This book will close the traditional subject gap between the humanities Classical World Egyptology and the social sciences anthropological archaeology Near East in the study of the ancient world This book is uniquely the only bibliographic resource available for such holistic coverage The volume consists of 17 chapters and seven appendixes arranged according to the traditional types of library research materials bibliographies dictionaries atlases etc The appendixes are mostly subject specific including graduate programs in ancient studies reports from significant archaeological sites numismatics and paleography and writing systems These extensive author and subject indexes help facilitate ease of use **Walford's Guide**

to Reference Material: Social and historical sciences, philosophy and religion Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional material in economics business and management

A Scientific, Antiquarian and Picturesque Tour Angela Byrne, 2018-10-26 A Scientific Antiquarian and Picturesque Tour John Lee In England Wales and Ireland 1806 7 is a critical edition of the travel diaries and sketchbooks of Dr John Lee FRS n Fiott 1783 1866 published for the first time Shortly after graduating from Cambridge University Lee set out on a seven month walking tour through England Wales and Ireland on 31 July 1806 His itinerary included most of the key sites on the home tour such as Llangollen the Lakes of Killarney and the Wicklow Mountains but also less visited sites such as the Blasket

Islands Co Kerry Best known later in life as an astronomer antiquary Liberal campaigner for women s suffrage and generous philanthropist Lee s lifelong interest in mineralogy antiquities industry and popular culture and his concern for the poor are evident throughout these early diaries Most of the content relates to Ireland where Lee arrived on 29 August 1806 and remained until 6 March 1807 His observations paint a picture of Irish social cultural and political life in the aftermath of the 1798 and 1803 rebellions and the 1801 Act of Union The memory of 1798 looms large in the diaries as Lee recorded conversations with witnesses and participants on both sides These observations are laid against the backdrop of Lee s assessments of the Irish landscape evaluated verbally and pictorially within the frameworks of the sublime and picturesque Lee also paid much attention to the physical remains of Irish history earthen forts early Christian religious sites and to the endurance of Gaelic culture the Irish language Gaelic games pattern days that made Ireland exotic to the English visitor The volume includes an annotated transcription of Lee s five diaries and notes from his three sketchbooks reproductions of some of his sketches and a critical introduction setting Lee s diaries within their historical cultural and intellectual contexts It makes Lee s detailed observations available to researchers for the first time a valuable resource for Irish social cultural and political history local history and the histories of travel and antiquarianism *The Irish Naturalist*, 1915 *Introduction To Library Research In Anthropology* John M Weeks, 1998 This edition outlines the historical development of the discipline identifies the informational needs of anthropologists and describes the structure and organization of libraries as sources of anthropological information A variety of research strategies and methods for conducting library research are explored as well Included are descriptions of scope arrangement and content for hundreds of reference works such as encyclopedias dictionaries directories subject and regional bibliographies guides to specialized libraries and archives indexes and abstracts Human Relations Area Files and computerized databases Electronic databases are identified throughout the volume and a chapter is devoted to Internet resources *Guide to Reference Books* Robert Balay, Vee Friesner Carrington, Murray S.
